HENDERSON NORTH SCHOOL NEWSLETTER

Kia ora e te Whānau o Henderson North School

As we approach the end of another productive and positive year of learning at Henderson North School, I want to take a moment to reflect on what makes our school such a special place.

"Together We Create, Inspire and Achieve Success," is much more than just a collection of words. It represents who we are as a learning community and the important role each of us plays in making Henderson North the vibrant, inclusive and engaging place it is today.

"Together" means that we all have a part to play. Our learners, teachers, support staff, parents, whānau and wider community are all important members of our learning community. When we work alongside one another, share our knowledge, encourage each other and celebrate our successes, we create an environment where everyone belongs and has the opportunity to thrive.

"Create" is about the opportunities we provide for our learners to explore, question, problem-solve, take risks and think creatively. It is about creating an engaging environment where children are encouraged to discover their strengths, develop new skills and take ownership of their learning. Together, we create the conditions for success, both now and into the future.

"Inspire" is about encouraging curiosity, building confidence and helping our learners see what is possible. It is about teachers inspiring learners, learners inspiring one another, and whānau supporting and encouraging children to reach their potential. We want our children to be excited about learning, to be brave enough to take risks and to believe in themselves.

"Achieve Success" recognises that success looks different for everyone. It is about progress, effort, perseverance and celebrating the steps we take along the way. Whether it is achieving a personal learning goal, developing a new skill, showing kindness or taking on a leadership opportunity, every achievement matters.

Our four school values, *Pono, Pōtikitanga, Manaaki and Tiaki*, are woven through everything we do. They guide the way we learn, the way we treat one another and the way we contribute to our school community. They provide the foundation for our actions and decisions, helping us to take responsibility, show kindness, respect others and make positive choices. Our values are not simply words displayed around our school; they are behaviours we want to see lived every day, both at school and at home.

I want to sincerely thank everyone who has played a part in making this such a successful year. We have achieved so much, not only in the learning and progress of our children, but also in the continued development of our learning community and the engaging learning environment we provide. Our community is vibrant, diverse and supportive, and it is this collective commitment that makes such a difference to our learners.

Although we are getting close to the end of the year, we still have some very special events and celebrations over the next three weeks. I strongly encourage parents and whānau to make every effort to have children at school every day so they can be part of these important occasions. These final weeks are an opportunity to celebrate learning, acknowledge achievements and create memories together.

We look forward to celebrating the graduation of our 73 Year 6 learners as they prepare for their next chapter. We will also be recognising individual learner achievements through our class awards at our Professional Learning Group (PLG) assemblies, sharing in community celebrations and coming together for our end-of-year Christmas event.

These occasions are an important part of who we are. They allow us to acknowledge the hard work, commitment and growth of our learners and celebrate the collective efforts of the people who support them.

As we look towards the end of the year, I am incredibly proud of what we have accomplished together. Thank you to our staff, learners, parents, whānau and wider community for your continued support, encouragement and contribution. Every one of you plays a part in making Henderson North School the place it is.

Together We Create, Inspire and Achieve Success.

Diwali Celebrations

Our staff and learners enjoyed a wonderful Diwali celebration, dressing up in beautiful traditional outfits, vibrant colours.

It was a lovely opportunity for our school community to come together, celebrate the Festival of Lights and learn more about the traditions and significance of this special occasion.

A big thank you to everyone who helped make the day so special!

School Library notice:

Week 6 will be the last week to issue any books for this year, so there are only 2 more weeks left to borrow books for 2026.

Please check for any school library books at home to return, they will all have a barcode that says "Henderson North School" on the front cover.

Emails will be sent after borrowing has closed with the details of any overdue books to help make finding books easier.

Any books borrowed from the Auckland Library Bus this year can be returned to our school library, or any Auckland Council Library.

Special Awards to Outstanding Road Patrol Monitors!

A huge congratulations to four of our exceptional Road Patrol Monitors who have gone above and beyond in their duties this year!

These learners have shown outstanding commitment, reliability and responsibility, willingly taking on extra duties, stepping in when others were unavailable and always putting the safety of our school community first.

Their positive attitudes, dedication and willingness to help have made them fantastic role models for others.

We are incredibly proud of you all and thank you for your amazing service to Henderson North School!

Filipino Annual Get-Together

Our annual Filipino Get-Together was a wonderful celebration of friendship, community and Filipino culture.

It was a lovely opportunity for Filipino families and friends to come together, share delicious Filipino food, enjoy each other's company and celebrate the warmth and spirit of *Bayanihan*.

The gathering was filled with laughter, meaningful connections and a strong sense of belonging.

Thank you to everyone who joined and helped make the occasion special.

We look forward to another memorable gathering next year!

Thank You to BIC and DHL!

We have been incredibly fortunate to receive a wonderful donation of quality stationery products from BIC, thanks to the generosity of BIC World and the amazing support of Judith and her team at DHL.

The excitement from our learners and teachers when they saw all the stationery arriving was just priceless! Sometimes it's the simplest things that bring the biggest smiles.

What makes this donation even more special is that we were able to share the generosity with four other schools, spreading the joy well beyond Henderson North School. We know their learners and teachers will be just as thrilled as ours!

A heartfelt thank you to BIC World for your incredible generosity and to Judith and the DHL team for thinking of our school and making it all happen.

Your kindness has made a difference to so many children, and we are truly grateful!

Training with the Warriors!

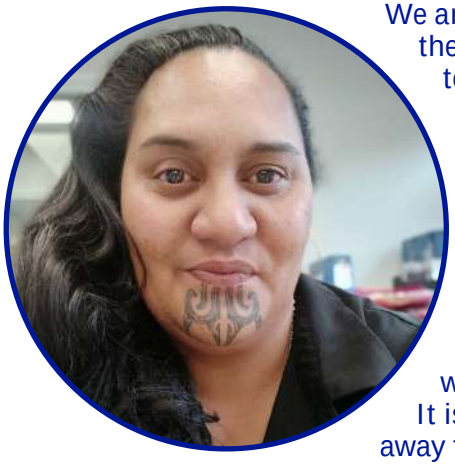
What an awesome experience for our learners, who had the opportunity to enjoy a training session with the Warriors today!

There was plenty of energy, enthusiasm and big smiles as our learners got involved, picked up some new skills and had lots of fun along the way.

A huge thank you to the Warriors for taking the time to work with our tamariki and providing such a fantastic experience. What a great opportunity!

ATTENDANCE AT HNS

Kia Ora Henderson North Whānau,



We are now at the end of Week 6, with only 3 weeks remaining until the end of the term! Christmas is getting closer, and the school year is quickly coming to an end.

Pedal to Progress

We are getting closer to our end-of-term draw! Keep encouraging your tamariki to attend school every day, as every day counts and brings them one step closer to earning a token.

Attendance – A Friendly Reminder

We have noticed that a number of whānau are not contacting the school when their tamariki are absent.
It is extremely important that you keep us updated whenever your child is away from school. Please contact us as soon as possible to let us know the reason for their absence.
Regular school attendance is so important!
When tamariki miss school, they can miss out on valuable learning opportunities, important education and the chance to build and maintain friendships with their peers.
Every day at school provides opportunities to learn, grow, connect with others and develop confidence.
Missing school regularly can make it harder for tamariki to keep up with their learning and feel connected to their classmates.
Let's work together to ensure our tamariki are at school, learning and making the most of every opportunity.

Government Attendance Reports

A reminder that the attendance reports being sent to whānau are government-based reports. These are automatically generated and sent when a child's absences reach the government reporting threshold.
Please be aware that this includes both justified and unjustified absences.
Even when your child is away for a genuine reason, it is important that the school is notified so we can keep our attendance records accurate and up to date.

Updated Contact Details

As we approach the end of the school year, we ask all whānau to please check that their contact details are current and up to date.
It is important that we have the correct phone numbers and emergency contact information so we can reach you if an emergency arises or if we need to get in touch regarding your tamariki.
If your phone number or contact details have changed, please update these with the school office.
Thank you for helping us keep our tamariki safe!
As we head towards the end of the year, let's continue working together to make every school day count.
Your communication, support and encouragement make a difference!

Ka whāngaia, ka tipu, ka puāwai!
Nurtured with care, we grow and flourish.
With the right care, time, encouragement and support, every child has the opportunity to reach their potential, grow in confidence and flourish.
Together, let's continue nurturing our tamariki so they can shine!

Ngā mihi nui,
Whaea Rochelle

Thank You for Your Generosity!

A huge thank you to all our wonderful whānau who have kindly donated goodies for our upcoming raffle hampers!

Our Room 12 learners have been busy visiting classrooms and collecting all the generous donations. It's lovely to see our school community coming together to support our **Picnic in the Park** celebration.

We really appreciate your kindness and generosity – every little bit helps!

PLEASE KEEP SENDING ITEMS ALONG!

SWIMMING @ HNS

Kia ora whānau

We are pleased to inform you that Henderson North will be opening the swimming pool to classroom lessons again for term 4 leading up to the summer months.

We at Henderson North believe that it is very important for your child to learn key swimming skills and know how to be safe around water. This term your child will have 1 swimming lesson a week.

Please ensure that your child has the following swimming gear when it is their day to swim:
