What a fabulous time we had sharing the results of 10 plus weeks of learning, designing, creating, choreographing, costuming, interpreting and developing. Thank you to everyone who came and supported Salford's Mascot Mystery!

Salford's Mascot Mystery:

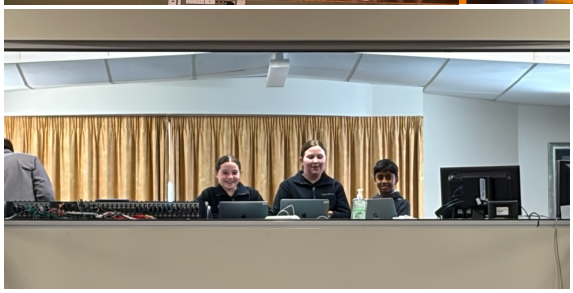

Chatbus – Mobile Counselling

Miles is here on Ramere / Fridays this year to support the tamariki.

Chatbus operates with tamariki being able to make self referrals at school and whānau (and kaiako) are also able to refer.

Forms for whānau to refer are available online through the school website or see the office or classroom teacher for a hard copy form.

Tamariki can self refer through the white box in the office that is set up for them. Alternatively you can email miles.chatbus@gmail.com and Miles will respond from there.

Te Reo Māori Kupu:

-Kia ora—Welcome

-Haere mai—Welcome

-Whanau– Family (wider family)

-Akonga—Student(s)

-Tamariki—Children

-Rāmere—Friday

-Whiringa a Nuku—October

-Whiringa a Rangi – November

-Hakihea -December

Year 5 Science Roadshow:

Recently the Year 5 ākonga headed down to Southland Boys' High School to explore the Science Roadshow. This is a time where the tamariki get to explore all sorts of science in one space, controlling, manipulating and discovering all hands on. Needless to say it is a lot of fun (and a lot of thinking) with demonstrations and practical exploring linking and connecting science to their daily lives. Thank you to the whanau who came along and supported the tamariki at this opportunity.

(School donations contribute towards this annual activity and the buses to and from, for our Year 5 tamariki)

Thank you to the sponsors of the

CHATBUS COUNSELLING FOR CHILDREN

Salford School Community Health Consultation:

Every two years we consult / survey our school community regarding our health Curriculum here at Salford School. This year our survey is asking what you know about the aspects that make up our Health Programme and how we can better help you to know more. Just three questions. Please take a few moments to click the link on the Hero post (dated 6th November) to assist us with this part of our Health Curriculum.

Salford School Communication:

Skool Loop:
Sports notices, Registrations for Sports, Absentees, After School care Arrangements— booking/Cancellations , Events etc.

Hero:
All formal communication and reporting.
You have access to your child's attendance, reporting and newsletters for school, classroom and groups.

Facebook:
Celebrations and achievements, community events and local happenings, holiday activities etc.

Drop Off Zone Reminders:

1. **Children must get in and out of the car independently**. If you need to get out of the car to assist them in any way please do **NOT** use the drop off.
2. Please move forward as far as you can whenever you pull into the drop off zone. The children can walk further around the footpath on the drop off zone to you. They do not need to be dropped off and collected directly outside the gate.
3. If you cannot drive into the drop off area (resulting in you waiting and blocking traffic on Lamond Street) please continue driving and come back, your child will still be there waiting for you.
4. To reduce traffic in the drop off we encourage older students (Year 5 – 6) to develop their independence and arrange a meeting place with you which they walk to and meet you. (Often Kowhai Ave or further down Lamond Street). This helps us to monitor our smallest Tamariki as they enter and exit the school.

Thank you

Thank you to the Ward Family for their generous donation of prizes for the value box last term – it is still being well used even with the number of children filling Values Cards.

Whanau Thank You Morning Tea

Have you coached a sports team, been a whanau helper for any field trip, attended camp, sizzled sausages for lunches on Fridays, helped on the PTA, made a donation to the school of time or resource etc in any way?

We look forward to seeing you for morning tea on Raapa 2nd Hakihea (Wednesday 2nd December) at 11:00am.

An RSVP form will be shared on Hero in the next week or so, so that we know how many people the staff will be catering for.

Chess Nationals

Huge congratulations to Nathan, Lucas, Okitha and Rimu who recently competed in the National Chess Tournament. They placed second as a team in the Online tournament with Okitha winning best player overall taking out all 9 games he played. (A tie break was the decider for the first and second placed teams)

For the individual National Championship event onsite Okitha placed 6th overall.

Some hard games and great challenge for all of the boys with fantastic results for them all, individually and collectively. Tu meke!

Arohanui
