Auē! Taukuri e!

Due to the rise in "near-hit" incidents outside the kura during after school pick ups, the kura have revisited our Road Safety pick-up and drop-off procedures.

1.Kaiako will continue to hold tauira on the kura side until an adult arrives to physically pick mokopuna up.
2.All drivers of vehicles will now need to physically collect tauira from the kura side.
3.No student is permitted to cross the road unless in the care of an adult!!
4. Please refrain from illegally parking on the other side of the road. The Police will be doing weekly drop ins over the remainder of the kura term.

We are currently taking part in the Taupo District Council Road Safety programme which will allow us to start our own KEA CROSSING.

Watch this space!
Additional changes for a safe crossing zone is in progress.
