

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Kia ora koutou,

Welcome back to school for the final term of 2025. This week there is very little from me in terms of a Principal's report as there are a lot of handouts included in the newsletter this week.

Strike Action

Please see the attached notice regarding the Strike action on Thursday 23rd October 2025. School is not open for instruction on this day. For more information, please see the strike action notice included in this week's newsletter.

Keeping Ourselves Safe

The school is completing a Keeping Ourselves Safe (KOS) Unit this term. There are a lot of components covered in the unit. It is important that you read the information provided as there are some delicate topics covered in the unit. Parents need to be informed about what is being taught and talked about at school.

Your New School Principal

The Waverley Primary School Board of Trustees is in the process of advertising for your school's new principal. A part of this process is gathering information from the community about what you want the new principal to be like and what qualities you want the board to look out for. Please fill in the survey that is included in this newsletter. There is a short turn around for this survey as we are wanting to make the appointment as soon as possible. Please return the surveys to the school office before Friday 17th October.

Production Notice

There is a production notice that is also included in the newsletter this week. This notice is very important and has all of the information that is needed for the children and parents regarding the school production on the 22nd and 23rd of October. Please read the information carefully.

ASSEMBLY - No assembly this Friday

CRICKET: \$20 fees are now due for cricket. Can these please be paid into account number 01-0795-0004979-00. Many thanks.

Each week one class will be sharing photos of their learning & activities.
Check out KAURI Hub

Check out some Kauri Hub students enjoying the recent Pet Day activities at the end of last term. The creativity incorporated in the exhibits was amazing.

Here is the information for this year's Waverley Agricultural Boys & Girls Lamb & Calf Club Group Day. We also have a form on our Facebook group to pre-register which would be helpful to save time on the morning (we will still accept entries on the day regardless)
