Dear Parents,

High Nitrates and water bottles

This week we have found out that we are not able to drink the water at school due to high Nitrates levels. I was told this first from someone coming to look at our main water supply and not even the council. As a school I would expect that we should be the first people to be told, but alas not.

Please send your children to school with a water bottle so they can fill their bottles from the water tank at school. The days are hot and your children need clean water to keep hydrated.

This week we welcome **Martha Salcedo** who is joining Mrs McLellan's Class Ruma Kō rora.

Swimming Lessons

All students need to bring their togs and towels every day and please make sure that all girls have their hair tied back while swimming. The weather is getting hotter but more importantly all students need to learn how to swim. We will need a note if your child can not swim each day.

Pallets

If anyone has any pallets lying around that they don't want, please bring them along to school for Alan our caretaker as he has a project for them over the holidays.

End Of Year Activities

The end of the year is just about here and so this brings many many fun activities and events. Please read the up and coming events below to keep up to date. One fun activity is secret Santa, I have added this below. I know that for some families they will not want to take part in the gift giving, that is fine please let your child class teacher know this.

Glenavy School Secret Santa

It has been a tradition at Glenavy School to play the Secret Santa game for Christmas.

Your child has been given a name and that is the person who you have to be Secret Santa to.

You need to buy a gift around the price of \$10 for your secret Santa and have it at school by **Friday 13th December. We will be sharing gifts on Monday 16th Dec.**

Wrap your present but **DO NOT** put who it is from on the card, only write the person who the present is for.

Remember that everyone needs to participate so that everyone gets a present.

This is a fun way to finish the school year. Remember not to tell anyone who your secret santa is!

Have a great Weekend

Kate Mansfield

Mr D - **Glenavy City** - **Self Management** - This week I will be breaking tradition and giving my award to the entire Glenavy City Futsal year 5/7 team **Vaea, Kris-William, Classic, Umar, Gabe, Noah Luff, Trion, Sean, Triz and Luqmaan**. They play in the year 7/8 competition and struggled to win, then last Monday they drew a game and then against the top team won in emphatic fashion 5-1. As I explained to the team that yes we had indeed won, Triz excitedly shook me repeatedly by the shoulders needing more confirmation that we had won. Also I was approached by a North Otago Football representative about this team. I was so proud.

Thanks very much to the parents that have offered their time to help out on the 12th of December selling PTA Raffles outside Waimate New World. Please have another look at your time slot and if there is a problem please let us know. If anyone is able to fill in the missing time slots, please let me know
