Dear Parents,

#### Covid

This week we have been a bit low with our numbers due to COVID sweeping through the school. Thank you so much to all the parents who kept their children home and tested. We have 4 staff who caught covid and about 40 plus children away each day. I think now we need to think of covid as a flu and if your child is unwell and you can't find a covid test, please just keep them at home until they are well.

#### Life Education Bus Visit

The exciting visit we had this week was from Harold. (Life Education Bus) He taught the senior children how to be safe on the internet and the implications of not sharing everything. They also learnt about Peer Pressure. The junior classes learnt about how to keep themselves safe from danger. This is another highlight for the children, sorry that so many missed it due to sickness!!!!!

#### Parent Interviews

On Tuesday 26th March we will be holding parent interviews at school. These will run from 1-6:30pm. Parent Interviews can be made via Skool Loops under bookings. These will be available now in Skool Loop. Please bring your child with you to the parents interview.

It is important that we see a parent from every child in the school, so we can talk about where your child's learning is and you have the opportunity to ask questions with your child teacher. Instructions on how to make a book are below.

#### **Baby News**

Congratulations to Mrs Tara Hutton and her Husband James, who gave birth to a beautiful wee girl on Saturday Night. Her name is <u>Ava May Hutton</u>. Both mother and Ava are doing well. We wish Tara all the best in her next challenge as a mother.

#### School Photos-

These are going home today with your children. Please fill in the envelope with your order in it and payment and return back to school. All orders need to be back at school by Friday 8th March.

#### School Uniforms:

We now have one of each size of polo shirt and sweatshirt at school to try on if you need to know what size to order. They are in the office. Come in at some stage and have a try on before you order online.

Uniforms are now bought and ordered from <u>NZ Uniforms</u> Have a great weekend

# Lost Property

We have a very large pile of clothing that has been left here at school mostly unnamed. We have a lot of school jerseys, hats and even a sleeping bag left from tent city. Please if your child is missing anything come and have a look. It must belong to someone.

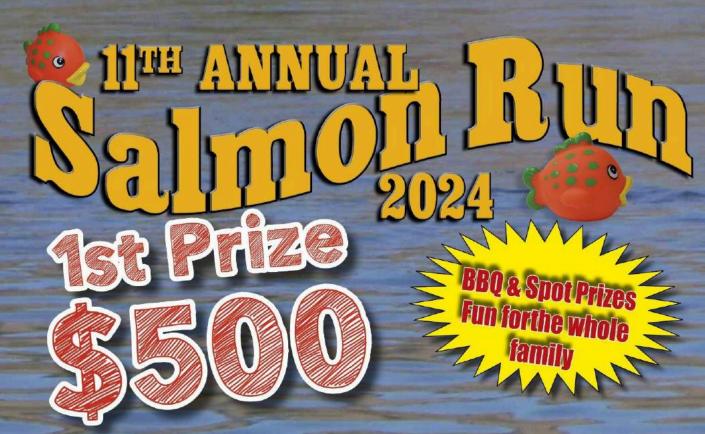

We would like to send a big shout out to ECOLAB who donate our XY12 or chlorine to the Glenavy Swimming Pool. We really appreciate your support to keep our swimming pool running. The children love their swimming lessons.

Registrations are now open for the Veterinary Centre Whitehorse Big Easy event and we would love your students to be part of the action by entering the Primary School Kids Challenge event. The Primary School Kids Challenge is open to all primary aged students. Students enter in teams of two - with one team member completing a 5km walk/run and the other a 7 km bike ride.

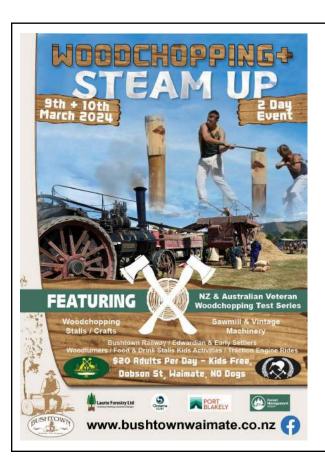

Raising money for your school!

Each team will receive a give-a-little page, with a target of raising over \$100. The great thing is 75% of all funds raised goes towards your school - and the rest to amazing local charities. This is a great way to get the kids active and having fun, while raising money for their school and local community.

Please find a PDF poster to print off and display at your school to encourage the students to enter. It would be amazing if you were also able to circulate this in your digital and print school correspondence to families and caregivers to raise awareness of the event and highlight how this could benefit your school. If you require a high res jpg or png file of the poster for digital distribution let me know and I will arrange this.
