Dear Parents,

Another busy week down here at Glenavy School. We have also experienced a bit of a drop in temperatures too. It is really important that we are all keeping nice and warm during these colder months. So please make sure that your child has nice warm clothes to wear. If you are needing any uniforms, come in and see the office and we will get you sorted.

Just a reminder: If you are picking up your child early or they are off the bus please let either the office or a teacher know. Your child's safety is our main priority and this ensures we know where every child is.

CONGRATULATIONS....

A massive congratulations needs to go out to our Year 5 and 6 Glenavy Steelers Rippa Rugby Team who have qualified for the Hanan Cup tournament being held in Timaru on the 22nd of May. This is a huge accomplishment after coming second in their grade in the North Otago tournament which was held last term. Teams which place in this tournament have the opportunity to head off to Wellington to compete against other New Zealand Schools. Well done team. We will be having extra training for this over the next two weeks. So if possible could the members of this team bring a change of clothes to train in.

Winter sports

Over the past two weeks our Winter sports have kicked off. I have received much positive feedback from coaches and parents on the sidelines as to how spectacular our wonderful students have been. This makes me feel so proud to be part of this amazing school with such amazing students. I would also like to thank all of the parents and staff members who have put their hands up to coach or manage our teams. This is never an easy job, but without your support sports simply do not happen. I know how much our students are embracing all your knowledge and help.

Hockey Results

Year 7 and 8 Glenavy Boomerangs

Game 1 Won 5-2 **Game 2** 3 all draw : **Player of the day** - Deliah Moffat

Netball Results

Intermediate and Junior Netball kicked off last Friday with all teams having impressive games.

Farm Safety Day

This term we have been lucky enough to be asked to host a Farm Safety Day alongside Waihao Downs and Waituna Primary School. This event is being organised by children's author Harriet Bremner and is being sponsored by St John. We also have involvement from Oamaru Vets, Rural Transport, Timaru Honda just to name a few. This event is going ahead on Wednesday 29th of May here at Glenavy School.

The idea of the Farm Safety Day is to involve our community so that both parents and children are getting the Farm Safety messages. This is a particularly important message we need to be sending out not just to our children but even for us as Adults, especially with the increasing amount of farm place accidents that have been happening recently. This is a day when we want as many parents involved as possible. The way we are doing this is by asking you, our parents and community members to help out with the running of the modules and supplying the farm gear. You are the experts and the ones who play a major part in keeping our tamariki safe on the farm and that is why we need you to help us. More information will be heading home in the coming weeks.

Sign Language week

Our wonderful little superstar Alice Smith attended the NZSL promotional week held in Timaru. Alice did an outstanding job showing off her sign language skills. We are very proud of you.

Regards
Steve Ross
