Dear Parents,

It has been a rip roaring start to Term 2 and it has been so great to see all of the kids happy and smiling faces back at School. Just another reminder that Mrs Mansfield and Mrs McLellan are away on sabbaticals this term and we are super lucky to have the services of Jo Mortimer and Gemma Hamilton filling in for us in Rooms 1 and 4. If you have any questions about your child's learning please don't hesitate to get into contact with them or any of the other staff here at school.

We are super lucky to have four new students start here at Glenavy this term. Aiden Gemmell in Ruma Kea, Kenjie Sumague and Gurupdes Singh in Ruma Korora and Tina Taueli in Ruma Piwakawaka

8 POSTS WANTED

We are on the hunt for some wooden posts. As our school keeps getting bigger and bigger and our picket fence has run out of room. We are needing 8 posts to create a new fence around the garden side of the eating area. So if anyone has any posts they are not needing that are just sitting on farms we would be greatly appreciative of some.

Open Days

WBHS and **WGHS** are having open days next week, **Tuesday 7th of May**. **SKC** is also having their open day on **Thursday 9th of May**. If you have a year 7/8 student that is looking at attending any of these schools please head along. Even if you are not sure of which High School your child might be attending, I believe it's a great idea to go and check out what different schools have to offer so that you are selecting the High School that best suits your child.

07/05/24 WBHS- 11:45 am - 1pm

07/05/24 WGHS - 11:45 am - 2 pm

09/05/24 SKC - 1pm session and a 6pm session.

Farm Safety Day

This Term we have been lucky enough to be asked to host a Farm Safety Day alongside Waihao Downs and Waituna Primary School. This event is being organised by children's author Harriet Bremner and is being sponsored by St Johns. We also have involvement from Oamaru Vets, Rural Transport, Timaru Honda just to name a few. This event is going ahead on Wednesday 29th of May here at Glenavy School.

The idea of the Farm Safety Day is to involve our community so that both parents and children are getting the Farm Safety messages. This is a particularly important message we need to be sending out not just to our children but even for us as Adults, especially with the increasing amount of farm place accidents that have been happening recently. This is a day when we want as many parents involved as possible. The way we are doing this is by asking you, our parents and community members to help out with the running of the modules and supplying the farm gear. You are the experts and the ones who play a major part in keeping our tamariki safe on the farm and that is why we need you to help us. More information will be heading home in the coming weeks.

Regards

Steve Ross
