Dear Parents,

This week we saw the Year 7 and 8 students attend Oamaru Intermediate School for technology. They came back with many items they had made, designed and baked. The students really enjoy technology and come back with new and exciting ideas that they have transferred into the classroom working towards their fair items. Next week swimming will start weather permitting and if the pool has been finished painted and up to a decent temperature. We will let you know when the children need to start to bring their togs.

Injuries at School

Just thought it was important to let you know the protocol if your child is injured at School. If your child falls over we will for

Minor Injuries - Send a note home with your child. If more serious we will ring you directly.

Head Injuries - All knocks to the head will result in a phone call home.

Welcome to our new Family

So Next week I am sending home a newsletter asking you to commit to one thing for 2024. We ask that every family signs up to one.
