Dear Parents,

As I write this newsletter I am looking at the low snow that fell overnight. I have made the decision to continue with the sports day as the weather is looking stable, cold, but no rain predicted. As you can imagine aligning 3 schools for the day is a hard job as we have to make it work. The grounds are a little wet but they will dry quickly.

This week we have welcomed Dale Morgan who has joined Kōrora Class.

Welcome to Dale and his family to Glenavy School.

This brings our school roll 139 children. I am meeting with the Ministry on site next Thursday and hope to have more answers then regarding new classrooms.

### Closure Of School - Tuesday 31st October

Due to no power for the day at school from 10-4pm the Board have decided to close the school for the day. The buses will not run and no staff will be at school.

With no power we have no toilets, running water or drinking water.

We are sorry for this inconvenience and the board is now looking into an external plug that a large generator can be plugged into for future power cuts.

### Toot A Can Night-

This has been moved to Thursday 2nd November due to the Weston Fireworks being on the Friday night. If your child would like to go around the community collecting cans with the fire brigade please meet at the fire station at 6pm. All cans collected this year are going to the Oamaru Food Bank.

### Halloween Disco-

This is tonight at 6 - 7:30pm at the Glenavy Hall. Dress up in your favourite costume and **please bring a can of food to enter. All cans will be donated to the Oamaru Food Bank.**

### Health Consultation-

Every 2 years the school board must send out a Health survey to our community. This year we have a very simple form via this link to take you to a google form with about 6 questions regarding what you think of our health program. Please follow this link and have your voice heard. It is really important that we have some feedback on some of the areas we teach your children.

Many thanks for your support.

**I hope you have a great weekend and keep warm.**
