Kia ora e te whaanau,

Thank you for your support as we navigated through the cyclone, safety of our students and staff are our number one priorities, at all times, in these situations. So again, thank you for your support.

Welcome to all our new whaanau. It's great to have you aboard, on our NPS journey. We look forward to meeting you all at our CYC Whaanau day, where we can celebrate our whanaungatanga.

As you will see, we are a busy kura, having many opportunities for our tamariki, so please keep up with our communication via **school loop** and **class dojo**.

If you have anything you would like to discuss, please do not hesitate to come and see me.

Nga mihi Matua Murray

C.Y.C WHAANAU DAY - MONDAY 6TH MARCH

All whaanau are invited and welcome to attend our 'whaanau day'

Bring along a picnic and join in on the fun activities.

JUNIOR HUB INFO 2023

Term Value: Manaakitanga

AKOMANGA 1

Tena taatou e te Whaanau,

We are fortunate to have a big Team in Akomanga 1. Whaea Ruki being the Main Kaiako, Whaea Liz relieving on Thursdays and our awesome Kalawhina Whaea Hinengakau and Whaea Jackie.

We are settling well into our new routines. Learning a lot about each other with a little bit of learning in between.

AKOMANGA 2

Kia ora e te whaanau. Ko Whaea Maggie ahau. We are very lucky to have Whaea Mazina working alongside us this year. We have settled into our routines really well and have started our book mahi. It has been awesome to have so many of you join our class dojo. This is where we post panui and photos. Please check your email for an invitation!

We have an open door policy so feel free to come and visit!

AKOMANGA TORU

Nau mai haere mai to Akomanga Toru

This year is my first at Ngaruawahia Primary and I have an amazing group of year 2 and 3.

In class we have been getting used to routines, getting to know each other and having some great discussions around our learning

HOMWORK..

The best way to help with learning at home is to do things together and talk about what you are doing.

Reading: read together and talk about the pictures and the story to help with comprehension and vocabulary

Writing: Make it fun, write notes to friends, spelling words and letters or draw a cartoon and write the story.

Maths: Count out and add items together, cut sandwiches into halves and quarters or play a game.

Homework: spelling words, letter work and a reading book will be sent home with any children who want home work.

**SWIMMING SPORTS COMING SOON
TUESDAY 28TH FEBRUARY**

SCHOOL UNIFORM

Please ORDER your uniform at the office.

Polo tops are from \$28.00- \$30.00

Fleece jackets are from \$35.00 - \$40.00.

There is a 3 WEEK turnaround from order

In hard materials we are making a taonga out of corian. This is being made as a gift for whanau. The corian is cut out and then shaped using a file and sandpaper. A hole is drilled by the students so that they can add a platted string so that it can be worn around the neck.

In Electronics and Design the taurua are making a Koha for Whanau using Bronze Wire. They do this by joining pieces of bronze wire together with solder wire to make certain letters or names. A hook is then attached so it can hang in a special place at their whare! Matua Scott

Ngaā mibi nui ki a koutou! What an awesome start to 2023 for Akaomanga Whā (Rm 4). We have welcomed Whaea Keana to our room. She will be the Kaiako on Thursdays & Fridays, and hopefully any other day Whaea Kim might be away!

This week has seen all aakanga begin mahi in their books, for their Portfolios, and online!

Thank you to all whānau who have connected on Class Dojo! This is where all paanui will be posted to keep you informed daily - sometimes plans can change at the last minute.

For Mahi Kainga (homework) this year, aakanga will need to be able to access our [Google Classroom](#) at home. A [spelling notebook](#) might travel home, and hopefully a [Chapter book](#) for enjoyment will be read at home too!

Don't forget you're welcome to join us in class any time! And we hope to see you at our CYC Whānau Day!

Kia Ora e te whānau!! We have had an amazing start to our 2023 year! We have been super busy in Akaomanga Rima, learning about each other, learning about learning and creating a culture that is for EVERYONE!

Aakanga have begun to set up their books ready for learning and we have been starting to look at our local area and some of their favorite spots. Room 5 and 6 have started having weedy hui on Friday where we talk as a hui about any issues arising or anything that they would like to talk about, these have been great!

Aakanga have loved having breakfast daily in class and this has started a real neat sense of Whānau-gatanga. Please keep an eye out on Class Dojo, I post on there daily and eventually our aakanga will be sharing their mahi on there also :)

Keep an eye out for spelling notebooks that will come home for Homeworks and please reach out if you need anything!

As always, I love hearing from all the whānau, and you're all welcome any time in Akaomanga Rima, it is a space for all!

Nau mai, haere mai ki te wāhi tuatoru!

In Akaomanga Ono, we are unpacking who we are, where we come from and where we want to be. This learning will stem self-awareness and better understandings of ourselves, recognise strengths we can build upon and begin goal setting for our future.

A paanui will be sent home this week to join our Class Dojo forum, where all notices will be displayed, certificate recipients, student mahi and my direct contact details. A speech/pēpeha template will also be sent out for mahi-aakanga over the next following weeks, as our aakanga will be applying for iura leadership roles.

I am excited to see our āmāri blossom into awesome leaders!
