24 March 2023

Tēnā koutou katoa,

T1 Wk 8

Can you believe we're at the end of 8 weeks already? With only 2 weeks to go until a well-deserved battery re-charge, it certainly still looks busy here at NPS.

A number of highlights lately have been the inter-school swimming efforts and of course, getting back down to our beautiful awa for the Koopapa Regatta! While the weather wasn't 'tino ātaahua' - it was beautiful to be back amongst the wider school whaanau of Ngaruawahia and beyond!

As always, we appreciate every one of you who are able to join us for these occasions, to support our tamariki. Ngā mihi nui ki a koutou!

But our sporting ventures don't stop there - as our 2023 Netball season begins next week on Tuesday.

A friendly reminder whānau, to book in for a conference with your tamaiti's kaiako either next week Monday or Wednesday afternoon. We have heaps to share with you all and feel we can cater to your tamaiti better after having whaanau share their voice. Again, if you have any paatai, issues or concerns, we welcome you all to come in and have a kōrero with us to see how we can help

**GOAL SETTING CONFERENCES** resolve these.

**MON 27 & WED 29  
MARCH**

3:30 -  
6pm

Please book in to speak with your child's Kaiako on one of these days. These conferences will inform you of where your child is currently at. We also wish to seek your thoughts on setting learning goals for the remainder of the year.

To book a time: contact our Office OR book instantly via the Skool Loop app

## KOOPAPA

This year our Year 5 - 8 tamariki were lucky enough to be able to get back on the water and compete in Koopapa, for the regatta this year.

It was great to see many tamariki who had never paddled before, give it a go and those who had paddled, bring back their skills. The tamariki loved the day, and we even got some placings in our heats!!!

Very PROUD of NPS whaanau and it was great for us to be amongst the kaupapa
