**T3 WK 4**

**11 AUGUST 2023**

Kia Ora e te whaanau,

Hope everyone is well in your whare, as we have hit the mid point of Term 3. Thank you for your continuous support as we have been navigating high staff sickness. Akonga have been busy and engaged with our Term 3 Kaupapa "There's no place like home" and participating in a range of modules. Its been great to see all the learning that is going on, don't forget to ask your tamariki what they have been engaging with at kura. Keep connected in with class dojo which shares the learning happening and also updates you with events coming up. This connection between home and kura is vital for your tamariki success. We cant wait to open our kura up for a 'sharing day' scheduled for later in the term. Please don't hesitate to talk to your childs' kaiako, if you have any concerns.

Have a safe and happy weekend.

Na Matua Murray
