

Tēnā kautau ngā mātua, ngā kaumātua, ngā kaitiaki o ā tātau tamariki mokopuna. It's been a difficult term along Te Rangitaiki, with many tangihanga and whanau loss. Kai ngā whanau katoa e noho pani tonu ana, ka tuku aroha ki a tātau katoa.

### Attendance at Kura

Thank you to those who get in contact with the kura via phone call, message, Facebook message, Skool Loop or in person. Please also let us know WHY your child is away so that it can be recorded. We've noticed that parents who have rung to advise their child will be away are not giving a reason. This is important as these details are included when we submit our attendance reports to the Ministry of Education.

### Reminders

There will be no netball during the holidays.

### 2024 Strategic Goals

We asked for your feedback to create our new/updated goals for our kura, which have been submitted to Ministry of Education in March. Please see below for your information.

All students will continue development in literacy and maths through contexts that consider the seven essential learning areas.

Continue to implement and monitor behaviour management practices (The TE.TE.KO Way) that supports needs and assists increased student acceleration throughout the kura.

All students with specific neurological, physical or mental needs are catered for through planned activities that ensure learning development, and support pathways are evident.

*End of Term Closure*
