Facebook page: Te Kura o Te Teko

## NOTICES

We're seeing more students starting kura before 8.15am. It's been explained in previous pānui that staff are preparing for their day and are not available to look after students before that time. We've only had one parent discuss dropping her tamariki off at 8am. If you intend to do the same, please have the courtesy to contact the kura beforehand. This is about health and safety - not convenience.

When collecting or dropping off your child/ren, please REFRAIN from parking inside the front carpark. At the end of the day, traffic is congestive and our students are learning to navigate and be road safe. Parents and community are reminded that student safety at these times is paramount. Please park on the road sides to keep the main car park clear.

We're still keen to have your feedback to our survey about Designated Character status for our kura. We cannot move forward without your input, so please help us to help our tamariki by completing <https://forms.office.com/r/hSefcxYN5r>

## UPCOMING EVENTS

### PIPIRI

2 - King's Birthday

5 - Rangitaiki Cross Country

20 - Matariki

## KURA TRANSPORT

Reminders for parents and caregivers:

- Caregivers are responsible for safely transporting their children to and from their school bus stop and as such are best placed to decide the safest way to do this.
- Stick to the speed limit: it's 20kph when passing a stopped school bus (on either side of the road).
- Drop your tamariki off on the same side of the road as the bus stop.
- Teach your tamariki to always get out of the car on the side closest to the curb.
- Always take your tamariki to and from the bus-stop.
- Teach your tamariki not to run across the road.
- Remind your tamariki on how to keep safe boarding and disembarking the bus:
- While waiting at the bus stop, keep well back from the road.
- Wait until the bus has completely stopped and the door opens before getting on.
- After getting off the bus, stand well back from the road and wait until the bus has gone and you can see clearly before moving.
