Week 8 Term 4

Kia ora Ormond School Whānau,

It is an incredibly dynamic time in education. We are continually engaging with significant developments, including the implementation of new curricula, the rolling out of updated policies, navigating changes in assessment practices, and managing a host of behind-the-scenes transformations spearheaded by the Ministry of Education. It has indeed been a big year of adjustment and progress in this space.

However, a week like the one we've just completed at Ormond School is a powerful reminder of why we dedicate ourselves to this work and, ultimately, why we are all here: our students, your children!

The energy surrounding our Inquiry Learning Community Focus has been outstanding, demonstrating a clear connection between classroom learning and real-world impact. It is inspiring to see students dedicate their time, effort, and passion to projects that allow them to give back to their community. Students are not just learning facts; they are developing a civic consciousness by realising the importance of contributing positively to the world around them. We've seen a variety of exciting initiatives in this space, all demonstrating critical thinking, collaboration, and a sense of responsibility. This work is fostering future leaders who understand that their academic learning directly translates into meaningful action.

Thursday's Music Performance was nothing short of amazing, a true highlight of the school year. The hard work and dedication poured into this event by our students and staff came together in a brilliant showcase. The audience was treated to an excellent performance that highlighted the diverse talents within our school and celebrated the arts. This performance is a testament to the value of persistence, teamwork, and the joy of creative expression. Congratulations to every student involved— we are incredibly proud.

Finally, what often goes unnoticed in the busy school week are the daily interactions that define our school's warm and supportive culture. The positive energy that our students consistently bring into the classroom and playground is vital for a healthy learning environment. Every day, we witness moments of kindness as students look out for one another, offer support, and celebrate each other's achievements.

To those that are helping out with Rimu's camp next week – that you very much for your time. I am sure it will be a week to remember!

Have a great weekend!

## LEVI

Levi, I have been incredibly impressed with your perseverance this week! I challenged you to improve your handwriting by focusing on correct letter formation and staying on the lines. You responded by working really hard, and it was awesome to see you take that challenge on all by yourself yesterday! You were thinking about it and using your eraser until you were happy with the quality. Ka pai tō mahi, keep showing that focused effort in everything you do!

## HARVEY

Harvey, we love the effort you have been putting into being a 'bucket filler'. You have been a shining light of kindness, thoughtfulness and helpfulness to your classmates, making everyone around you feel valued. You have also been a kaitiaki of our school environment, picking up rubbish in your morning tea and lunchtime breaks. Thank you for your leadership and positive attitude, Harvey. It has made a big difference in Karaka this week. He whetu koe!

## JACOB

Jacob you are one cool kid who stays focused on his learning. You have a cheeky grin and start the day with a friendly greeting and then get ready for your day. This shows you are a powerful Ormond School Learner who is organised. You are not afraid to go into the Learning Pit and always try your best at whatever you do. You are a real role model for others in our class and at school.

Keep up your amazing attitude Jacob, Ka mau te wehi

## TED

Ted, you are an excellent leader and a fantastic role model for our junior students. This week, you conducted yourself exceptionally well both inside and outside the classroom. In the pool yesterday, you were a fun schoolmate to many juniors, bringing big smiles to their faces! Instead of rushing off to join your friends afterward, you stayed behind to help younger students find their misplaced clothing. This act truly demonstrates how kind and empathetic you are.

Mauri mahi, mauri ora!

# Learning in Action

## Learning Enquiry - Community Service in action

This term, our Pohutukawa class headed out into the community to help clean up Ormond Village as part of their learning inquiry.

They worked with enthusiasm and showed real pride in taking care of their local environment.

Meanwhile, the Rimu girls came up with a wonderful idea to make salt-dough Christmas decorations with the Kowhai kids. Their creativity and kindness shone through as they worked together to bring a bit of festive sparkle to our school.

Awesome mahi from all our learners—showing what it means to look after our community, both beyond the school gate and within it!

### Music Performance

A Wonderful Music Performance

Our music students put on an amazing performance in front of the whole school and whānau this week! Their confidence, teamwork, and musicianship were truly impressive, and it was fantastic to see how far they've come. A huge thank you to Keiran and Rikki for coming to Ormond every week to teach and inspire our budding musicians. Your guidance and dedication have made a big difference, and the students' progress really shone on stage. Ka mau te wehi, kids, outstanding effort from everyone involved!
