Kia ora Parents, Caregivers and Whānau, What an action packed week four it has been, with lots of learning and successes throughout the week. Thanks, firstly must go to Mrs T and our amazing teachers for their efforts in getting our gymnastics teams together and ready for their performances. These teams were exceptional in their routines and displayed the qualities of self managing, confidence and perseverance. It was great to see our learners take on this challenge, all of the hard work and practice definitely paid off! Thank you to our wonderful parents who came and supported and also provided transport to attend this great event, our learners are extremely lucky and grateful for this.

Students this week have been engaged in robotics and coding learning provided by Tōnui Collab. We are grateful to have had the opportunity for Tōnui to come out and share their expertise and equipment, so our learners can experience the technology curriculum in its entirety and to have the opportunity to work collaboratively to be creators and solution makers rather than consumers of technology.

We begin our "checking in with learning" assessments next week. It is important that our learners attend regularly over the next two weeks as these assessments are being completed. The information collected from these will inform us of the next learning steps for your child / children. This information will be shared at our mid year learning conversations, where our learners will reflect on their term one goals and set new goals for term 3 and 4. If you have any concerns at this current point in time, please do not hesitate to make contact with your child / children's classroom teacher(s) to set a meeting time to discuss these concerns. By working together, we can ensure that your child's learning needs are being met and catered for.

Noho ora mai rā, Stay safe and have a great weekend. Jonathan Poole - Tumuaki / Principal

PINK SHIRT DAY - 2023

It was great to have so many Ormond learners and Staff get in behind Pink Shirt Day. At Ormond School we work extremely hard to ensure that our place of learning is a safe zone where kids and staff can just be themselves without fear of physical or emotional turmoil. We encourage our Ormond tamariki to tell us about what is going on and we always follow up on what we hear.

Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora!
Speak Up, Stand Together, Stop Bullying!

Key Dates Term Two

GROWING GREAT PEOPLE
TE WHAKATIPU IWI NUI

ORMOND SCHOOL LEARNERS ARE GREAT PEOPLE WHO ARE:

**Communicators, Collaborative,
Connected, Confident, Thinkers, Self
managers, Shows Perseverance**

Don't forget:

OUR 4 R'S

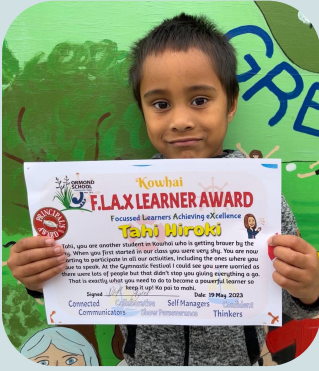

AT ORMOND SCHOOL ARE:

**RESPECT
RESILIENCE
REFLECTION
RESPONSIBILITY**

When we are using these 4 values, we are
BEING A GREAT PERSON!

F.L.A.X Award Recipients

TAHI

Tahi, you are another student in Kowhai who is getting braver by the day. When you first started in our class you were very shy. You are now starting to participate in all our activities, including the ones where you have to speak. At the Gymnastic Festival I could see you were worried as there were lots of people but that didn't stop you giving everything a go. That is exactly what you need to do to become a powerful learner so keep it up! Ka pai to mahi.

EIA

Eia, after being away sick for quite a while, you have come back to school showing us what a Powerful Learner Superhero you are! You have settled back into our routines and learning so quickly, you haven't missed a beat. We are also pleased with the detail that you are adding to your writing to make it more interesting for the reader. What an amazing attitude you have to your learning Eia, ka mau te wehi!

KYLE

Kyle you have been a really focussed learner lately and I have been particularly impressed with your attitude towards your learning. Self managing was what Mr Poole set as a school goal this week and you aced it! You were organised and came to group lessons quickly and quietly, you followed tricky instructions when making your VEX robot and you continued to work hard despite the fact that your group members were busy doing other things! Kei ōu ringaringa te ao. The world is yours Kyle!

LEO

Leo it was great to see you working together with your team to create your robot and get it to move the blocks. This shows how collaborative you can be and are able to work with others, one of our learning messages. You have taken on the responsibility of looking after one of our new students, helping him getting back into class and watching when he is out of the class. How you have grown Leo, taking on new challenges and not afraid to go into the Learning Pit. Ka pai hoki koe, Good on you

2023 Fundraising Raffle

Dear Parents and Caregivers,

We are organising a School Raffle to fundraise towards sporting equipment, education supplies and the eventual upgrade of our Playground. The Raffle will have a 1st Place prize of a Mystery AIR NZ weekend away for 2. We are looking to gather an exciting range of prizes from our community. All donations will be gratefully received. Ideas are items such as meat packs, vouchers from local businesses, donated goods and services, firewood, access to holiday homes for a weekend.

Can you please let us know what you are able to donate by emailing:

ormondschoolfundraising@gmail.com or contacting Huia at the office.

Raffle prizes to be confirmed by 31 st May 2023.

We thank you for your support,

Kind Regards

Zara, Debs & Sonia

Ormond School Fundraising Committee
