Learning Together For life
Term 2 Week 9

Kia ora e te whānau

If St Peter is considered to be the unshakeable rock of the Church, then St Paul must be seen as a tornado of enthusiasm and energy who tirelessly worked as a missionary, setting up thriving communities of Christians far and wide. Both men played a vital role in the growth and development of the early Christian Church. By calling ourselves Christians, we have a great responsibility to live as Christ taught us so that others who do not know the truth see it in the example of our lives. The last few lines in Sunday's Gospel reading focus on the notion of bearing good fruit. When we bear good fruit, we are following Jesus' example.

As we come to the end of another successful term at St Joseph's I would like to say a very big thank you to the staff for their support and help this term. Our Matariki breakfast was a lovely way to celebrate Matariki. Thank you to everyone who came along. The Wearable Art Show last night was fantastic. We were so very proud of the children and the hard work that they put into their designs. The learning that went along with this Inquiry Learning topic was wonderful to see. There was an amazing buzz of activity around the school. A big thank you must go out to Jo for the way she designed the catwalk. It made the show very special for us.
