Welcome TERM 3

Welcome back to Term 3! It's great to be back and ready for another exciting term for our Ngutunui learners! To start this term we welcome Killian and Royalty and their families to our Ngutunui whānau. Our school roll has reached 52 students, this is very exciting for us as we hope to start another classroom for our Y3-4 students moving up from Piwakawaka. Our classroom sizes have been high so this will be a nice opportunity to spread out a little across the school (more details will come out to families over the next week).

Our teachers have already shared their Term 3 classroom newsletters with you, these newsletters will help you understand the learning set for each classroom for this term.

The Term 2 reports provided excellent next steps in learning for all students, and these will be the focus in classrooms. Additionally, the reports included suggestions from teachers on how you can help at home. This support will greatly benefit your child's learning and achievement at school. If you have any questions regarding your child's learning goals, please feel free to contact their teacher.

To ensure you are up-to-date with school activities and newsletters please make sure you are signed up to Skool Loop (and within this subscribed to both the whole school and your child's classroom - see within settings), and our Ngutunui School Facebook page.

We look forward to the term ahead

Reminders:

- We've had a number of GIBITS going missing these past two days - if your child does not want to risk losing these please discourage them from bringing to school (as with toys). If you have noticed some new GIBITS turning up we'd love to see these reunited with their rightful owners. Students have been trading GIBITS, we are discouraging this at school.
- Wednesdays - wheels days and heat up lunches (ensure food is wrapped in tin foil and named)
- Scholastic Book orders- these came home yesterday. Please make your orders are made **ONLINE** see the instructions on the order form
