

Kia ora whānau,

The school term is in full swing, we have had another busy start to the term with numerous events happening both in and outside of school.

We have a few sad farewells this term to families and wish them all well in their new schools and communities. We welcome all of our new families to the area and look forward to getting to know you all. Please ensure you introduce yourself to new students and parents to help them feel at home in our school community.

Recent key events for our students

We have had a group of our Ngutunui young leaders attend the National Young Leaders Conference in Hamilton. With the key learnings around leading to learn. Our students all had a great day listening to guest speakers and their leadership journeys, giving pointers for our young leaders of today.

Congratulations to Carys Barron and Briana Deuschle for recently earning their school leaders badges for the leadership they are showing in our school community.

Surfing

We had a group of students willing to brave the Autumn chill to hit the waves with Green Wave Surf Lessons in Raglan.

Our students all stepped out of their comfort zones to give a new skill a go and were all successful in catching a few waves. A lot of excitement and positive feelings as they gave their "shaaka!" while catching their waves into shore. Surfboards may now be on the wishlist for some.

Teachers Only Day

On Friday 16th June we have the Te Awamutu Combined Teachers Only Day. School will be closed while the teacher join other schools from around the area in Professional Learning Workshops based at Te Awamutu College.

Dental Bus

The Dental Bus has not been in our area for a few years now due to the backlog with covid, therefore a number of students have not been seen by a dental nurse for some time.

Please make contact with the Dental Bus on 0800talkteeth (0800 825 583) to book your child in for a visit (the bus will be in our Te Awamutu region).
