At Production and Prize Giving

Last Day of School
Wednesday 9th December

First Day of School for 2027
Monday 1st February

Message from the Principal

Tēnā koutou katoa / Good morning / Magandang umaga / Buen día,

Things have certainly started to get rather busy around here at Hillside!

Production practice is now in full swing, and we are getting very excited to share with you what the students have been working so hard on. A big thank you to everyone who has already sent costumes into school – your support is much appreciated!

This week, our Year 8 students enjoyed their special end-of-year day out, with a trip into Invercargill for some fun! We tackled laser tag, ten-pin bowling, Jump and Fun, and enjoyed lunch together. It is always such a lovely opportunity to spend some quality time with our senior students and enjoy a few laughs together. There is also a little sadness that comes with these occasions, knowing that they are nearing the end of their time at Hillside and are getting ready to head off on their next adventure.

Next week, we have our Book Prize Assembly to look forward to, followed by our final assembly for the year. It is hard to believe we are already at this point in the year, with just over one week left to enjoy together!

A friendly reminder to keep working on selling those Christmas raffle tickets. If you are finding it difficult to sell your remaining tickets, please feel free to return your card to school early so we can have a go at selling the remaining tickets from here before Friday. ***All raffle cards need to be returned by Friday***. We would also love for those hamper donations to keep rolling in too. Thank you so much to everyone who has contributed so far!

Have a lovely weekend, everyone, and we look forward to another busy week at Hillside!

Ngā mihi nui,

Sarah Wilson
Principal
