PRINCIPAL'S MESSAGE

We are down to the last four weeks of school. Teachers and ākonga are working hard to make the most of the last few weeks and preparing for ACE, organising prize giving and graduation, organising reports and maintaining learning programmes. Overall, it is a hectic but exciting time of the year.

Jubilee

We had a memorable evening last week celebrating the 50th jubilee. I loved hearing the stories of people's time at Pakuranga Intermediate, spanning the last 50 years. Having a founding pupil and founding teacher cut the cake was wonderful. It is fantastic to see what has changed and remained constant throughout history. Thank you to the Jubilee team, who worked hard to organise this event.

Athletics

We had a tremendous Athletic day at school, and I enjoyed seeing the high level of participation throughout the day. As you can imagine, it is a full-on day in terms of organisation, and by the end of the day, all staff and students are pretty tired. Thank you to Matua and his team for a great day. And congratulations to the students on their efforts and successes.

Congratulations to the 23 children representing us at the South Eastern Zone Athletics. I had fantastic reports about our students at the event. Congratulations to those who performed exceptionally well. You were all a credit to the school.

— Stephen Johnston, Principal

Survey

Thank you to everyone who participated in the School survey, and congratulations to the nine families that received grocery vouchers.

I am now collating the information, and we will use this at our next Board meeting.

Reminders

A last couple of reminders. Yearbooks are coming on sale. We sell these at cost because we think they are great memorabilia for our whanau, so don't miss out.

We have Arts and Culture Evening next Thursday at 6 pm. This is a highlight of the year. Again, make sure you keep this night free.
