NEWSLETTER 2024 WEEK 4

TERM 3

Kia ora e te whānau,

It has been lovely to see a bit of sun towards the end of the week and it has been great to see our tamariki get outside and have a run around. There has been a real buzz happening in the “Yo Zone” with a number of children attempting to master the tricks

DanceNZmade

Our students have had an exciting time participating in DanceNZmade, a nationwide initiative aimed at embracing the joy and creativity of dance here in Aotearoa. In a relaxed, supportive atmosphere, DanceNZmade celebrates energy, artistry, and a passion for dance, with dancers and specialists alike being honoured for their craft. This year, our social group performed wonderfully, showcasing their hard work and talent. We're especially proud to announce that our elite group achieved an impressive third runner-up position. We are so proud of everyone who was involved.

Elite Sport Futsal

On Tuesday the 13th of August some students from the Whārite team represented our school at the Futsal Elite Sport competition. It was a great day full of tight games. The students did really well. They all displayed amazing sportsmanship, a high level of football skill and some resilience with some tight games early in the schedule. We placed third out of the eight teams.

Jan Williams Netball Tournament

What a wonderful day we had yesterday at the Jan Williams Memorial Netball tournament. Our Turbines Netball team showed amazing sportsmanship and gave every game 100%. Many thanks to Pam for taking the team and coaching on the day.

Olympic Day

On Friday the 16th August (Tomorrow) we are having an Olympic Festival. Class groups have been assigned countries and we are asking students to come dressed in clothing that represents their assigned country. On the day students will be engaged in a range of activities that will allow them to have some fun and get into the Olympic spirit. All year 8

students will be facilitating the events and are going to be representing France.

Daffodil Day

We are excited to announce that we will be participating in Daffodil Day with a special non-uniform day on Friday the 30th August. This day is dedicated to supporting the Cancer Society and raising awareness about the impact of cancer in our communities.

Event Details:

Date: Friday 30th August 2024

Theme: Wear something yellow!

Donation: We encourage students to bring a gold coin donation to support the Cancer Society. The Student leadership team will also be selling Daffodils from the front entry (Cambridge Ave) from the 28th August, before and after school.

Lamb and Calf Day 2024

The date is set for Lamb and Calf day - Tuesday 29th October. Registrations are now available via Kindo and there is a small fee of \$3 which is paid directly to the Manawatu

Oroua Boys and Girls Ag Club. Once you register via kindo, your child will be sent information that we have put together with tips and information for a successful day.

Calving Dates: Born between 1st July and 15th September. A student may only exhibit one calf.

Lambing Dates: Born between 1st July and 15th September. A student may only exhibit one lamb per year.

We are super lucky that we have had some parents working super hard behind the scenes and they have managed to access some resources that may make having a lamb easier.

Mathex

Some of our Year 5 to 8 students competed in the Manawātū Mathex on the 8th of August. Mathex is an inter school competition that is held by the Manawatu Mathematics Teachers' Association. Students compete in teams of four completing quick fire maths problems and then a hands-on practical round. Thank you to Phillipus Gerber, Jess Morris and Paula Thompson for supporting the teams in the build up to the competition.

In the year 5's competition there were 20 teams competing. The year 5's placed 14th. In the year 6 Mathex, 37 teams competed. The year 6's also placed 14th. The teams said the competition was hard but really enjoyable. Our teams had an amazing time and we look forward to going back next year!
