WHAEA JOSIE'S KORERO

Welcome to Week 6!

A Huge Thank You: Ready for School Camp! Plus, Pasifika Fusion This Saturday!

Kia ora koutou,

I want to extend my deepest gratitude to all our parents and whānau for your incredible support in making our school camp possible.

Thanks to your enthusiastic fundraising efforts and generous donations, we are thrilled to be heading away today with over 65 excited children! This three-day experience out on the whenua (land) is a highlight of the school year, and it is only possible because of your commitment to our students.

We are so excited to see the children challenge themselves, build stronger friendships, and make wonderful memories.

Keep an eye out! I will be sharing the fun on our school's Facebook page. Please check there for photo updates throughout the three days, and I may even go live at times to share some of the excitement with you.

🌴 Pasifika Fusion Performance - Come Support Our Tamariki!

In other exciting news, our dedicated Pasifika Group has been working tirelessly over the last few terms to put together a spectacular bracket for the upcoming Pasifika Fusion event.

This wonderful celebration of culture is being held at Crossroads Church this coming Saturday, November 15th.

Event Start Time: 9:00 AM

Takaro Performance Time: 12:00 PM

We would absolutely love to have whānau support in the crowd! So PLEASE come along and support our amazing tamariki as they showcase their talent and hard work.

Thank you once again for partnering with us to provide these invaluable opportunities for our students.

Follow us on Facebook@ Takaro School/ Te Kura o Takaro

We have noticed a resurgence of head lice. It is really important that you treat your child if you have found they have lice or eggs. Shampoo is easily accessed at the school office and using a comb will ensure eradication.

What's On

Tuesday 18th November
B.O.T Hui
Junior Swimming

Wednesday 26th November
HWC BBQ

Thursday 27th November
Children's University

Monday 8th December
Omexom BBQ

Monday 15th December
LIDO DAY

Tuesday 16th December
Last day of Term 4
School finishes at 12.30pm

PB4L Week _ Term 4

We follow our school
values all the time

TE REO PŪTAHI

Kei whea mai ngā pukenga whiu poroāwhio me te whiu maitai ā ēnei tamariki. He rawe hoki te kite i a rātou e uru atu ana ki ētahi atu o ngā mahi kaipara pērā i te peke teitei, te peke roa, te whiu rākau me te oma roa. Me tika hoki ka rere ngā mihi ki ngā whānau i tae mai ki te mātakitaki me te tautoko i ā tātou tamariki mokopuna. Miharo rawa!

TE PŪTAHITANGA

TP has had a special guest recently! Our very own treasured teaching assistant Bree came in to share about a past career she had as a chef in the NZDF. The kids loved looking through her old gear, and had a go at saluting, standing to attention and doing push-ups.

In other news we have had athletics day which was a great success. We fearlessly gave every event a good crack!

All that exercise needs sustenance. Luckily we have been making treats to fuel our physical pursuits (and learn maths).

TE KŌWHITINGA

Kia ora koutou!

As our Year 5–6s head off on their awesome camp adventure, the rest of us get to begin an exciting journey of our own! This week, we're diving into new learning around fractions, pathways, and destinations — exploring how maths connects to the world around us. We've found our groove as a class, and we're ready to take on this new challenge together for the week.

Have an amazing time at camp, Te Kowhitinga and Māhuri tauira — we can't wait to hear all about it when you're back!

**"Ka pū te rā, ka rē a te rā." (The sun rises,
the sun sets.)**

MĀHURI TŌTARA

Over the last few weeks, Māhuri Tōtara students have been taking part in a great wellbeing program.

Whaea Megan from St. Johns runs the program, visiting weekly to work with the class. A key focus was helping students find the courage to challenge themselves and be brave enough to try new things. The aim was to help each student understand how they can reach their full potential. They also spent time learning and practicing important skills for working well as a team and supporting their classmates. The students thoroughly enjoyed the physical challenges, especially trying to beat Megan in the running races and during the high jump activities.
