
HENDERSON NORTH SCHOOL NEWSLETTER

From the principal's pen

Tēnā koutou katoa,

As we approach the end of another exciting and fulfilling year, I want to take a moment to express my heartfelt thanks to all of our whānau for your unwavering support and active participation in our school events and gatherings. Whether you've attended assemblies, volunteered at school activities, or been involved in your child's learning, your engagement is invaluable and plays a critical role in the success of our school community.

At Henderson North school, we believe that strong partnerships between home and school are essential for the growth and development of our tamariki. Fostering community engagement is one of the three important key goals of our school's strategic plan. We understand that when whānau are actively involved in the educational journey, our learners thrive, both academically and socially. Together, we can create an environment where every student feels supported, valued, and empowered.

Looking ahead, next year will see an even greater focus on bringing you, our community alongside as we begin the process of formulating our new school vision and values. We are excited to involve whānau in this important journey, ensuring that your voices are heard and considered as we shape the future of our school. Your insights and perspectives will be invaluable in helping us create a vision that reflects the aspirations and dreams we have for our students.

This week is a special one for our school, as we come together to celebrate the incredible learning that has taken place throughout the year. Our whole-school prize giving assembly will highlight the achievements of our learners. It is always a joy to witness their growth, enthusiasm, and creativity. We also have our special assembly to farewell our graduating Year 6 learners, who are moving on to new adventures at intermediate school. These students have contributed so much to our school, and we are incredibly proud of them.

As the principal of this wonderful school, I feel incredibly privileged to lead such a passionate, hardworking group of professionals. Every day, I am inspired by the dedication and commitment of our teachers and staff who go above and beyond to create meaningful learning experiences for our students. I am equally grateful for the privilege of working with such amazing learners—our tamariki, who are curious, compassionate, and full of potential.

Thank you once again to all of our whānau for your ongoing support. Together, we continue to make Henderson North a place where learning, community, and connection thrive. We look forward to an exciting year ahead as we continue to work alongside you, our wider community, to ensure that our learners are equipped with the skills, knowledge, and values they need to succeed.

Ngā mihi mahana - warm greetings
Whaea Donna

Together we create and inspire success!

Whakanui e te tau - end of year Celebration.
