The school bus will run at 12:30pm.

5) PROPERTY

It is so good to see the school with the new carpet tiles throughout all the classrooms and library. Well done to those children who have been bringing slippers to school to wear. We just need to remind them that slippers are for inside and not outside.

## Term 3 : No.5 : 04 August 2025

Our next project will be the upgrade of the senior boys toilets and a veranda across the walkway at the back of the school. These projects will start with the design being developed sometime this term.

The swing will be going up very soon as the board has employed Brad Shaw building to get it installed.

### Reminder Heat Ups:

Please make sure that children's heat ups are in a suitable container (example below) to go into a pie warmer. No noodles.

### Spare Clothes:

Please have a spare set of clothes in your child's bag in case of any accidents or getting wet or muddy during playtimes.
