

HELPING YOUR CHILD WITH Maths:

Three Tips to help your child at home developing math capabilities:

- 1) Bake - reading the quantities from the recipe.
- 2) Read the numbers on letter boxes as you drive past.
- 3) Create crafts that require the use of a ruler to measure.

KAPA HAKA GROUP

It is very exciting that today at 3:00pm some of our Kapa Haka will be performing at the official opening of the new Tuatara enclosure at Queens Park. Such a wonderful opportunity to be part of!

ATTENDANCE

Staff appreciate that there is a lot of illness out there at the moment. Especially RSV, the rise in covid and chickenpox along with the flu and colds going around. If your child is away for more than a week, we ask that you get a medical certificate from your doctor. Currently the overall attendance rate is around 91% which is great. Nevertheless, we do need parents to advise the school if your child is to be absent. If the school does not receive a notification, you will be sent an automatic message advising your child is truant. Five truant markings in one term can result in a referral to the Attendance Service.

PTA: A BIG THANK YOU to our wonderful PTFA and community for supporting this year's fundraising event for tonight. We all hope you have a terrific time and enjoy the BINGO.

REPORTING

At the start of term 2 the school held 3 Way Conferences where your child's progress was discussed and where staff shared the refreshed curriculum expectations, specifically, in math. The next stage in revising our reporting is to share with you a mid-year report showing your child's progress. Staff are currently developing how this initial report will look using HERO. The aim is to have this report ready for you all to view at the end of Week 1, Term 3, Thursday, 25 July.

In the next bulletin we will share with you an example report with some guidelines around how to understand the information.

CONCERNS COMPLAINTS POLICY/PROCEDURES

Just a friendly reminder from your board, any complaints should follow the correct procedure. The complaints procedure is available on the school website. Go to Our School Page and click on Our Board to find the procedures. But the best thing we all can do is keep it small by dealing with a concern straight away with the classroom teacher.

Term 2 : No.5: 7 June 2024

Celebrating Matariki : Shared Breakfast at School

As part of celebrating Matariki the school will be having a shared breakfast on Thursday, 27 June starting at 8:00am. All parents and whānau are welcome to join in. More information to come in the next week or two.

NEXT BOARD MEETING

Please note that the next BOT meeting, which is open to the public, will be held in Tisbury School Staffroom, Tuesday, 11 June 2024, 6:30 - 8:30pm.

Have a great three weeks and keep warm as winter sets in.

Next Bulletin : Week 9 Thursday, 27 June (Friday is a public holiday for Matariki - no school).

Emma Todd (Chairperson) & Andrea Joyce (Principal)
