It was a privilege and a pleasure to acknowledge the skills, talents, hard work and efforts of students across the school at our Annual Certificate Assembly last Friday. Thank you especially to all our Year 5 and 6 students who have made any number of internal school systems work every day, including patrols, runners, wet-day supervision of junior classes, running the PE shed, setting up for school events in the hall, supporting our Arohanui tamariki, organizing fun days ... and more. Your efforts have been very much appreciated by all the staff and students at Flanshaw this year.

I would like to acknowledge our Year 6 students, who have been super Senior School leaders and role models this year. We welcomed these stunning rangatahi to Flanshaw such a short time ago. They have been part of the fabric of our school for six years and now they are ready for the challenges and opportunities Intermediate School will bring.

During the last few weeks, students have been part of any number of fun events at school. We have had water day activities, swimming, final group outings, shared lunches, in between singing practices for the final Trophy Assembly, packing up classrooms and shifting furniture, so the interior classroom building upgrade project can begin. This week we farewell Jenny Angell and Narelle Hepple, whom we wish all the very best for 2025.

Last week, students took home portfolios, containing information about their progress in learning this year. On Monday, they were reorganized into their 2025 classes and spent some time with their 2025 teacher. Today we had our final Trophy Assembly – and I congratulate all our Trophy winners for their achievement this year.

Finally, on behalf of our Board of Trustees, teachers and staff, I wish you all a safe and happy festive season. The school office will reopen on the 20th January. School starts back on the 28th January, 2025 and we sincerely hope we have 100% of our students here, ready to start the new school year on Day 1. Mere kirihimete.

Principal – Dr Cherie Taylor-Patel

School will resume on Tuesday, 28 January 2025 at 8.55a.m. (please ensure your child starts the year off right, by being on time for school every day). Students will go straight to their new class when the bell goes, where they will be greeted by their new teacher for 2025.

We would very much appreciate you ensuring your child is in 'Full Uniform', complete with hat, to start the New Year. We would also appreciate it if your child has all their stationery needs in the first week back. If there is a problem, please contact the school office.
