Kia Ora! Thank you to all the whanau who were able to attend our 'Whanau @ the Whenua' community event last Thursday evening. The weather was idyllic, the students' performance for the parents was enjoyed by us all, as was the food, the ambiance and the opportunity to meet and mingle. It was great to be able to reinstate this community event.

Thank you too, to the 'Friends of Flanshaw' team, Whaea Frances and Maggie Reid. We made close to \$1200 from food, drinks and the raffle, which will go towards improving our grounds. A special thanks to those parents and ex-students

who have signed up to help out with the 'FOFs' and with netball coaching. If you or someone in your extended family could coach or manage a netball or basketball team, the season for these sporting codes is nearly upon us. Please contact Greg Patel (Basketball) or Trina Atwell (Netball).

Last week two senior teams went to the Te Atatu Softball tournament. Both teams had a great day. They improved their skills each game and were awesome ambassadors for Flanshaw Road School. Congratulations to all our students and to the teachers and staff involved.

The 'Born to Move' fitness programme was introduced in our school in 2019. Each year we have had a group of lead students train to lead the school, as was demonstrated at our whanau gathering. This term, the Les Mills team have approached our school to make a video later in the term, starring our students.

Before this can happen, we need your permission for your children to be part of it. There will be a permission slip coming home next week, that we will ask you to sign. This is so your child can be part of the video, which will be shared locally, nationally and internationally. Unless we have your permission, your child will not be part of the filming. In our vision statement we talk about developing physical confidence ... this is one of the experiences we can use to do just that. Kai te hanga maia mātau.

Regards, Dr Cherie Taylor-Patel
