Nihao, and welcome to MAN100.

This handout outlines the programme you will follow this year. It shows when you will be learning and practising skills or studying texts. Assessment dates are also included; **it is important to meet all deadlines.**

Resubmissions:

A resubmission opportunity can only be offered when a minor error prevents a student from achieving an 'Achieved' grade. The only possible change in grade from a resubmission is from 'Not Achieved' to 'Achieved.' Therefore, the highest grade that can be awarded for a resubmitted internal assessment is 'Achieved.' If you qualify for a resubmission opportunity, you will have two weeks to resubmit your work. For more detailed information on assessment procedures, please refer to the **Assessment and Reporting Senior Student Handbook**.

Please note that your work must be authentic. Any plagiarism/inauthentic submissions will face disciplinary action.

Make the most of your opportunities to learn and succeed this year. Your teachers are always here to support and assist you. **Remember, learning takes effort!**
