

Term 3, Week 1

26 July 2024

Kia ora e te whānau

We have had a wonderfully busy and energised start to the term! Rehearsing for our production is in full swing and we hope you have purchased your tickets. This is going to be such a memorable and amazing experience for our learners to be part of. We are so proud of the way our learners are embracing this opportunity and practicing to refine our performance. A big thank you must go to all our mums and family members that have helped with sewing and creating costumes—we couldn't have done this without you.

At the moment our Dance NZ Made groups are also continuing to practice their dances. They are part of our production performance and then will also be on stage again at The Regent again in Week 4.

This week we were incredibly proud of the way our netball teams participated in the Kainui Netball tournament. We love competing against other schools and this was a great chance to learn new skills on the court together.

Congratulations to Louka, Alex, Frank, Ben, Harry, Austin, Isla, Payton and Dillyn for winning the Year 5-6 Kainui Tournament. Pou Allanah did an incredible job organising and leading this tournament for all the schools and we couldn't have made this day happen without the awesome parent support coaching and managing the teams on the day. FAHS provided us with some great umpires for the tournament and it was lovely that two of our ex Hiwinui students were selected to umpire—Charlotte Wilson and Caitlin Steffert were awesome on the court interacting with our students.

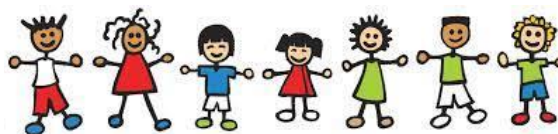

Adding to our busy week were two EPro8 competition days for our Year 5-8 learners. This was a new opportunity for all our senior students to be part of and we hired extra equipment to make this work. Our learners had to be absolute pathfinders using their engineering and problem-solving skills. Later this term there are inter school EPro8 competitions we will be involved in too. Thanks to Pou Holly for her enthusiasm leading this!
