

Pūtahi maunga, tū te ao, tū te pō.

Tēnā koe e tū mai nā hei herenga tāngata, hei herenga kaupapa, hei herenga kōrero.

**Whakawhiti mai nei ki Pārahirahi e tū ana hei āhuru mōwai mō tātou katoa.
Whakarongo atu rā ki a Wairoro e rere mai nei. Whakawhiti mai ki Ōtuhi
hei wāhi hākari mō te iwi.**

Tēnā koutou katoa.

Kia ora e te whānau ataahua,

Thank you for all of your support to make the first half of Term One absolutely amazing. We have had such a good start with our Whānau Challenge, 'Meet the Whānau Evening', Marsden Bay Camp and Wednesday Electives launching along with our timetabled classes.

Key reminders for whānau and ākonga to support our learning culture:

- Our school day starts at 8:45am (if you arrive then or after that time - you're late!);
- Uniform must be worn and can be purchased at The Warehouse. Jeans, hoodies and activewear/tights are not a part of our uniform;
- Students should have their own stationery for subjects that require this. Chromebooks are provided where necessary;
- Only parents, caregivers and whānau who are on our records can sign students out during the day. Students can not sign themselves out.

This week's key message in assembly was in support of one of our school values, Mana Tangata. We all have mana and so we have the right to be treated with respect. This brings with it the responsibility to treat others with respect.

A source of tension between students can, at times, be harihari kōrero - idle gossip and spreading rumours. The key message shared was to ask three key questions before sharing any such kōrero: is it true? Is it necessary? Is it kind? If the answer to any or all of these questions is 'no' then the kōrero should stop there. Our taitamariki live in a 24/7, connected world where social media can amplify issues around gossip. Whānau can support us and their tamariki by having these discussions at home to support what is shared at kura.

Tēnā koutou e te iwi. Kia pai ngā rangi whakatā! Have a great weekend.

Tumuaki

A Taste of KL: Movie and Lychee Soda

This month, students journeyed to Kuala Lumpur by watching a special, personal movie, created during a recent trip to the bustling Malaysian capital in December. This movie introduced students to my home and the KL lifestyle. To truly experience KL, they then crafted *Air Laici Soda*, a refreshing lychee drink. Students got the chance to handle and smell a real lychee plant and fruit, thanks to Whaea Ariana. Using fresh mint from my garden, students learned about this popular Malaysian treat. This hands-on activity offered a multi-sensory cultural experience, connecting students to Kuala Lumpur's flavours and sights in a fun and engaging way.

Social Sciences Learning Area

The Social Sciences Learning Area has a busy beginning to the school year. In the first semester we have a Combined Level 2 and 3 NCEA History class which is being taught by Mr Peters. We also have a Level 1 NCEA Asian Studies which is being taught by Mr Sutton. These two subjects are taught for four periods a week. Mr Peters and Mr Sutton are also both teaching the Year 9 and 10 Social Studies classes which are taught for two periods a week. Our content is based around events and issues that are either New Zealand based or are of significance to New Zealanders.

NSSSA Futsal Championships 2025

Congratulations to our Senior Boys and Senior Girls Futsal Teams who competed in the Northland regionals at Kensington Stadium. The boys had a tough competition with 27 teams in the championship grade, they came out with one win and showed great teamwork. The girls showed amazing resilience and strength with only 5 players on the day and took out third place overall. An awesome effort from all!

Cell Phone Ban

Ngā mihi to our ākonga who have consistently supported our ban of mobile phones and acknowledged our shared responsibility for creating a learning environment that's just about that - learning - ko koutou ā runga!

Uniform

Ngā mihi also to all of our ākonga who wear our school uniform with pride and mana!
