Kia ora koutou e te whānau,

We hope that everyone has been able to stay safe and dry with all of the rain we had over the weekend. It feels like we got all of our winter rain on Saturday and Sunday. Unfortunately the rain has meant that Kainui Football this week has been cancelled due to the grounds being closed across the region until Thursday at the earliest. Thank you to all of our volunteers who offered to coach and provide transport. We really appreciate your willingness to help.

Epic Music are holding a fastest drummer competition in schools across the Manawātū. This involves them coming into school giving any children who want to take part the opportunity to do so. It was great to see so many children give this a go and have some fun. Congratulations to Maggie, Spencer, and Noah who won their age categories. Epic will be notified if anyone has won overall. Thanks to Matt and Jake for running the event.

We received some very flash new high jump stands from Home and School last week. They will be fantastic for when we start athletics training and have our athletics days. Our current ones have been well loved and have served us very well but are now very much past their use by date. Home and School have some more exciting surprises in the pipe line for the school. We will keep you updated on these. A massive thank you to the Home and school committee for all of your hard work.

Winter sports are coming to end. Hockey finished a week ago and Year 3-4 netball finished on Saturday. The Year 5-6 team have a play off this coming weekend. The Year 7-8 netball team will be finished in a couple of weeks as will club football and rugby. It has been great to see so many children involved in sports and representing the school or their clubs. A massive thank you to all the parents and caregivers who have given their time to make these opportunities possible.

Good luck to our Jump Jam teams who are competing this Saturday at the PNBHS Spiers Centre. The junior team are competing from 11.00am and the senior team from 5.45pm. Both groups performed to the school last week and were incredible.

We would like to say a big thank you to Olivia S for the time she has given to our Tough Kid Challenge over the past 5 Years. This event has grown a huge amount in this time and takes a lot of time and organisation. Last year was my first Tough Kid event and I was blown away by the sheer scale of this event. Although Olivia is unable to be on the organising committee, she has kindly offered to help out where she can, which is really appreciated.
