Share and Care

Whole School: TBA

Kia ora koutou e te whānau,

Fresh New Look for Our Classrooms

We're excited to share that the carpet upgrades have now been completed, and it's fantastic to see all of our classroom spaces looking fresh and inviting. The team from QHL did a fantastic job, completing the work with minimal disruption to our school day. A big thank you to our children and teachers for their flexibility and support in helping the process run so smoothly.

Kaitiakitanga in Action at the Thompsons' Farm

Rooms 1 and 4 had a wonderful day on Tuesday, visiting the Thompsons' farm as part of a waterways restoration project. The students helped plant approximately 360 native trees and learned about the vital role this planting plays in improving water health and creating habitat corridors for a wide variety of native animals.

The children gained valuable insights into how interconnected ecosystems are and the importance of protecting and restoring our natural environments. It was great to see them living out our school value of **Kaitiakitanga** – the Māori concept of guardianship, stewardship, and environmental responsibility. A huge thank you to everyone who helped make this experience possible. We truly appreciate the support we receive from our community.

Cross-Country Update

Unfortunately, the Kainui cross-country was cancelled due to weather conditions. However, we're proud to have some of our students competing in the Manawātū inter-school cross-country this Wednesday in Ashhurst. We wish them all the best in their events!

Health and Wellbeing Reminder

This is the time of year when bugs are making the rounds, and we've had a number of children away unwell, including a few cases of chickenpox. We appreciate you keeping children home when they are sick to help keep everyone healthy.

If your child is unwell, please contact the school office or let your child's teacher know. For health advice, you can call Healthline for free, 24/7, on 0800 611 116. You can also reach out to your GP, pharmacist, hauora Māori provider, or Pacific health clinic for support.

Thank you for continuing to work with us to support your child's learning and wellbeing.

MoE Mathematics Curriculum Staff Only Days

We have two mandated mathematics curriculum professional development staff-only days on July 18 and September 19. School will be closed on these dates while we receive professional development about the new maths curriculum.

Stay Connected!
