OUR STRATEGIC GOALS

OUR SUCCESS STATEMENT

INITIATIVES

Our Programme

To mātou wāhi

Create dynamic, student-centered learning programs that engage and respond to individual needs.

Deliver a rich, authentic, localised curriculum that inspires, connects, and motivates learners.

All ākonga will receive quality teaching and learning that meets individual needs and fosters agency.

Our learners will be confident, engaged, and deeply connected to both their community and culture.

Embed tikanga Māori and local iwi knowledge into everyday learning to enhance cultural connections.

Offer workshops that empower students to take ownership of their learning, setting personal goals and tracking their progress.

Integrate inquiry-based learning where students can explore topics they are passionate about.

Our Practice

To mātou

To cultivate effective, innovative pedagogy across our kura.

Ensuring that all ākonga receive quality teaching and learning tailored to their individual needs, while fostering student agency

Our team members possess the confidence and capability to effectively meet the diverse needs of every learner.

Kaiako will skillfully employ engaging, innovative teaching strategies that enhance student learning outcomes.

Offer ongoing training for teachers in structured literacy structured maths, digital tools, emerging technologies, and innovative teaching strategies (e.g. blended learning, gamification, flipped classrooms)

Expand science, technology, engineering, arts, and math (STEAM) initiatives that prepare students for future careers.

Strengthen the integration of mātauranga Māori and local history into the curriculum to ensure culturally responsive teaching.

Our People

To mātou iwi

Strengthen learning-focused relationships across our school community.

All ākonga will thrive through positive, multicultural whānau engagement, meaningful connections with iwi, Kāhui Ako, cluster schools, the wider community, and local businesses.

Ākonga, whānau, and community partners are actively engaged in collaborative, culturally responsive relationships that enhance learning and well-being for all students.

Enhance parent partnership programmes, approaches and strategies, workshops, forums, or regular communication channels to foster active involvement.

Develop a fresh and interactive online presence to promote, inform and engage. i.e student achievements, event calendars, and learning resources.

Enrich environmental partnerships and programmes. i.e partnerships with local iwi, businesses, and conservation groups.
