Term 4 Newsletter

Welcome back for another term, we hope you all had a lovely holiday with lots of memories being made. Hopefully we are all feeling better for term 4 and all the mauiui has blown away with term three.

We have a **busy term 4** ahead with a few key dates set in place. Please note them down in your diary so you can keep up to date with what is happening. See all dated below.

Congratulations to Term three tamariki in the top 80-100% attendance.

They all received a certificate and Manaaki, Kaahmanaye and Leo were the lucky drawn winners who won a gift certificate. Hope you all got to buy some goodies with it.

We have been practising hard for the **Puanga festival** and our tamariki are feeling excited and nervous. Whaea Robyn will be taking the 7-8s to the powhiri and will meet the rest of our kura there closer to our performing time. We hope parents and whanau can come and watch our babies live. Parents can take your tamaiti home after their performance. Just please let the staff know so we can mark them off the list to travel back to kura.

Nga mihi to all those who filled in the form for helping with the **35th celebration**. We will be creating a roster for everyone so we can spread the load. I will hand out the tee shirts the week of the birthday. **It would be great to see all those helpers at our last planning hui on the 27th at 3:30pm.**

Prizegiving will be on the Friday 11th December. Details will be confirmed closer to the day.

Camping in Ōākura Sun 13th – Tue 15th. We will have a separate pānui for this, with who can help, who has tents etc.

Tuesday 15th Dec will be the **last day for tamariki**. Tamariki will go home with whanau, and those needing to be returned home, the kura pahi will leave the campgrounds around lunch time. kura will remain open till Fri 18th with staff only days.

If you have any patai, please reach out to Robyn, Rose-Anne or our chat group.

Nga mihi
