Kia Ora Everyone

This is the last newsletter for Term 3. Don't forget that daylight savings begins this weekend. It goes from Sunday 24th September to Sunday 7th April 2024. Remember to put your clocks forward one hour. New Zealand first introduced daylight savings in 1927. The dates and time difference were changed several times over the following years. The current times have been fixed since 2007.

A very warm welcome to Awhitu District School to our newest 5 year old, Andre, who joins Te whaanau Kiwi. We hope you enjoy your time here with us!

**School Holiday Programme in the Pavilion...** Remember that Waiuku Library is running another School Holiday programme these holidays. This will be on Tuesday 3rd of October from 10am to 12pm in the school pavilion.

It's great to have this free programme at school so you don't have to travel into Waiuku. So come along and support it to ensure that it continues. See the flyer below for more information.

School assemblies are held every second Friday at 1.40pm. The next assembly is on Friday 20th October Term 4.

### *Congratulations*

At the last assembly the following students were awarded certificates for a variety of achievements such as showing leadership, always making an outstanding effort, for hard work and demonstrating our PRIDE values.

The Yr 7 & 8's concluded their "Passion Projects" on Thursday, holding a Netball Tournament for all the school. These students have done an amazing job of organising all the events over the last two terms. It has been so exciting and gratifying to have seen the leadership capabilities of these senior students develop and flourish. A huge thank you to Whaea Kiestie for leading this initiative.

**Soccer Balls...** We have been really lucky to have been given 16 new soccer balls. These were excess soccer balls left over from the recent FIFA World Cup event.

**Remember to collect the “YUMMY” stickers and tokens** that are on apples and send them to school in the first week of Term 4 as they have to be sent to Yummy Fruit Company by 17th October. The more we have, the more points we get for PE sports gear for our students.

**ART MURAL...** Our very artistic Whaea Elaine, has entered the school into the Resene School Mural competition. With a group of students, she is busy creating a mural on the side of the PTA shed. The mural represents the school's four houses, Turamarama, Paorae, Paratutae and Kaiwhare. When it is finished it will be entered into the competition.

**Teacher Only Day...** All the Waiuku Primary Schools are having a combined Teacher Only Day on Friday 17th November. This has been given to schools by the MOE (Ministry of Education) for professional development of the new curriculums that are currently being refreshed and rolled out to schools. Te Mātaiaho | the refreshed curriculum will support every ākonga (learner) to experience success in their learning. It will give effect to Te Tiriti o Waitangi, and will be inclusive, clear about the learning that matters, and easy to use from year 0 to year 13. The refreshed curriculum content is being developed and released in phases, and schools and kura will have until the beginning of 2027 to start using the fully refreshed curriculum.

The first stage of the refresh took effect at the start of 2023, and new [Aotearoa New Zealand's histories](#) content must now be taught in all schools. From 2025, schools must use the refreshed mathematics and statistics and English learning areas. The implementation deadline for the full curricula is 2027.

**HATS...** In Term 4 all students are required to wear hats when outside. The bucket hats are the best, as caps don't protect ears and the back of the neck from sunburn.
