Signs and symptoms – what you can see and feel

Measles symptoms can start anywhere from 7 to 21 days after you have been exposed to someone with measles but will usually start within 10 days.

Red, blotchy
rash

Fever

Sore, watery
pink eyes

Cough

Runny nose

The first symptoms of measles are like other respiratory illnesses, such as COVID-19 and influenza (the flu). With measles, a rash normally appears 3 to 7 days after the other symptoms. The rash starts on the face and then spreads to the rest of the body. **If you have a fever and rash, and you are not immune to measles (or you're not sure), follow the information in the seeking health advice section.**

AUTAIA HAKA THEATRE 2025

Our kura was honoured to be part of Autaia Haka Theatre 2025, an event that not only celebrated haka but elevated it to a new level of the performing arts. The experience has been a resounding success for our tauira, our kaiako, and our kura as a whole.

Successes and Highlights

- Fabulous support from Autaia: The communication, organisation, and guidance throughout the journey were exceptional. We acknowledge the strong support for kaiako and the financial assistance provided, which made participation possible.
- Elevating Haka: This kaupapa provided our tauira with the opportunity to view Haka in a new light, performed in a theatre context, exposing them to a world of performing arts they may not have otherwise encountered.
- Sharing our story: We were proud to share our unique voice and message from Te Hiku o Te Ika, ensuring that our tauira's stories and identity were represented on stage.
- Whakawhanaungatanga: Our tauira were able to connect with peers from across the motu, broadening their experiences and building confidence in both their performance and personal development.
- Careers Gateway opportunity: We sincerely thank our Careers Gateway, Whaea Keringawai for recognising Autaia as a valuable pathway for our tauira. The skills and experiences gained align strongly with career exploration, performing arts, and personal growth.

Gratitude

We are grateful, thankful, and proud to have been part of Autaia 2025. We would like to acknowledge the organisers for providing such an incredible opportunity and for opening the doors for haka to flourish on new platforms.

Koroneihana 2025

We acknowledge with gratitude an AMAZING weekend spent at Koroneihana 2025. It was a celebration filled with many special firsts. Muriwhenua first stand at the koroneihana, the first coronation for Kuini Ngawai Hono i te Pō, the inclusion of our Taitokerau whānui for the very first time, and our first occasion joining together to honour this kaupapa with our Te Rangi Āniwaniwa taura. Each of these milestones made the experience all the more meaningful, and we are deeply thankful to have shared in such a significant gathering. We extend our heartfelt thanks to the hosts and organisers for their manaakitanga, and to Te Rangi Āniwaniwa for their support, which made this journey possible
