Morena Te Mata Whanau,

Our Te Mata community is a hive of activity this week! The community support to re-roof the Te Mata Hall and the new fencing around the tennis courts is fabulous. We really have an amazing community network that bands together to support when help is needed. I am so excited about the results of the work on both these projects. Thank you to all members of our community who have given their time by working, baking or supporting family members who are working on these sites. Both projects will benefit the students at Te Mata School as well as the Te Mata community.

Last week I attended the Rural Principals conference in Christchurch. Thank you to Trina Regnier, our deputy principal and Te Mata staff who continued with the day to day running of the school last week. It is reassuring to know that the school is in knowledgeable hands when I am away developing my learning.

Ngaa Mihi Nui,

Our Year 1-4 students enjoyed visits from Dottie the dog and her handler yesterday. Children learnt about keeping themselves safe around unknown or aggressive dogs.

Keeping Ourselves Safe Program

Constable Tom will be attending school next week to deliver some of the lessons around keeping ourselves safe. Sometimes this can cause conversation from your child in the home afterwards.

Teacher Only Day - Monday June 9th **School will be closed**

Our second teacher only day for the refreshed maths curriculum takes place on Monday 9th June. School will be closed for students on that day as teachers from Te Mata School, Waitetuna School and Te Akau School meet to learn more about the maths curriculum. It is important that our teachers are given opportunity to upskill with the curriculum's phase areas, this will replace curriculum levels .

Waikato District Libraries Matariki Competition 2025

On behalf of our libraries, I would like to invite your school to participate in our Waikato District Libraries Matariki Online Competition 2025!

Matariki is a Maori festival that celebrates family both past and present, a bountiful harvest, and change and growth in all things. It is a celebration of what we have, and what we have to give. Our goal is to promote the festival and educate people, whilst encouraging the enjoyment of the written word and the arts. Last year we received many impressive entries from people all across the district and this year we would love for your school to be involved. We are again offering a fantastic prize to two lucky schools in our district. For every entry we receive from a student at your school, you will receive an entry into the draw to win a \$300 gift voucher for your school. Please be sure to get your student to write your school name on their entry form.

This year the competition will be online with entries being emailed to librarycomp@waidc.govt.nz you hold on to the originals. We are asking you to design a bookmark that reflects what Matariki means to you or share your Matariki poem. Entries can be written in both English and Te Reo, and the age categories are 5-9, 10-15 and 16+. I have attached the entry form which has the template on the reverse for the bookmark. I have also attached an information sheet and poster.

One entry per person per category.

There is a \$100 voucher for the winner of each age group and category.

The competition opens on Monday 26th May and closes on Friday 27th June at 2024 5pm.

Winners announced Friday 4th July.
