

Weekly Newsletter | Week 5 | Term 4 | 2024

Morena Te Mata Whanau,

On Friday 15th November we have our Teacher Only Day where we will be starting to unpack the refreshed NZ maths curriculum. This is a combined day working with Waitetuna and Te Akau teachers.

School will be closed for all students. However I will be here later in the day to meet our returning Mango camp students. All Mango camp students will need to be collected by families after their return.

A reminder that all children should be wearing a sun hat at school when playing outside. Please make sure your child packs a hat and wears sunscreen. I have also reminded children about collecting their clothing and crocs at the end of the day. On Friday I noticed a lot of clothing and pairs of crocs left on the school field. I know these items are expensive and school cannot be held responsible if they disappear after school when they have been left outside by children.

Ngaa Mihi Nui,
Fiona Gott

Mango Camp

Our senior students are leaving for camp on Wednesday 13th November. They are going to Totara Springs for three days and will be taking part in lots of exciting activities. Thank you to the parents who are attending to support Ms Briant and the Mango students. I am sure an amazing time will be had by everyone.

The Code

On Monday teachers gained more Professional Learning about “The Code” a spelling system that focuses on both how our students are taught: explicitly, systematically and cumulatively; and what they are taught: Phonemic Awareness (Sounds), Orthography (the spelling system), Morphology (how words are formed), Vocabulary, Syntax and Grammar. Combined, giving our students the skills they need to read, spell and write with confidence. This is part of our structured literacy approach at Te Mata School and like the students our teachers are always learning and developing their practice.

Soccer Posts

A huge thank you to Paul Regnier who put up our P.T.A purchased soccer posts. We really appreciate his time and efforts to do this for us. The children have been playing with them non-stop.

Be Prepared !

It is important to be prepared and have a plan in case of a natural disaster. The government's "Get Ready" website has lots of helpful resources to prepare your household and your children with a plan in case of an emergency.

<https://getready.govt.nz/prepared/household>

A big congratulations to Malia Bridge for being the winner of Mango class camp T-Shirt design.

Malia decided on the colour as well as creating the image and here she is modelling her winning design of Mangos camp T-shirt. Rocking the blue Malia, congratulations.

REMINDERS

- **School Closed Friday 15th November for teacher only day**
- **School closes early 12th December for Student Led Conferences - 12.30pm finish**

Update from our Educators

Term 4 can be really busy for schools, resulting in our tamariki feeling worn out and ready for the summer holidays. We learnt a lot about sleep at our recent conference and how important it is to the overall health and well-being of children and teenagers.

Sleep plays a critical role in physical, cognitive, and emotional development. Proper sleep strengthens the immune system, regulates hormones, and aids in muscle tissue recovery. Sleep also affects emotional and mental health often influencing mood, coping abilities, and social interactions.

FACT

New Zealand children are amongst the most sleep-deprived in the world!

The impact of lack of sleep can lead to decreased cognitive function, impaired memory, higher stress levels, and increased risk of chronic conditions.

The quality of sleep is also really important and not getting enough restorative sleep can result in mood swings, reduced performance, and lower immunity!

Harold's Top Tips for a good night's sleep

- Create a relaxing bedtime routine - maybe taking a warm shower or bath about an hour before bed to help you feel sleepy
- Limit screen time before bed and no devices in the bedroom!
- Stick to a consistent sleep schedule, going to bed at the same time each night
- Keep your sleep environment quiet, cool and dark

MUSIC LESSONS at Te Mata School

Does your child want to learn to play music?

Would you like in-school lessons with a professional Music Tutor with many years of teaching experience? You can enroll your child in guitar, ukulele, piano or drum lessons at Te Mata School!

We deliver a fun, varied and structured curriculum. Students learn songs in styles ranging from traditional to contemporary during school hours.

MUSIQ HUB
PLAY SMART
