

## **Weekly Newsletter | Week 7| Term 4 | 2024**

---

**Morena Te Mata Whanau,**

**Congratulations to all children who attended inter-school athletics we were complimented by the teachers from other schools about the manners and sportsmanship that the children demonstrated on the day. It makes us very proud when we receive such awesome feedback.**

**This term continues to go by at a fast pace with lots of activities in the remaining few weeks. Credit goes to our staff for planning and organising these activities while also continuing with a high level of teaching and learning in the classrooms. Every day counts towards your child's learning journey and we would like to see children at school everyday unless they are unwell.**

**Our school swimming pool is looking spotless and ready for the swimming season ahead. Thank you to Toby Tilsley who is on our BOT for preparing the pool. Children will be asked by teachers to bring their togs and towels on swimming days. The pool is yet to be open to the**

**community. On the 12th December our office team will be available to support the purchase of keys. This is the same day as Student Led Conferences.**

**Ngaa Mihi Nui,  
Fiona Gott**

**(Tumuaki)**

We will be visiting the zoo (Tamura, Kaataha and Kahawai) this coming Friday 29th November. Please ensure you have filled out your permission slip and transport form for us to collate.

If you are meeting at the zoo, we will be meeting there at 10am sharp. Parents who will be providing transport could you please be at school by 8.45am with your current driver's licence, WOF and rego.

If you are happy to support our teachers as a parent help on the day (we need you!), please inform your classroom teacher. Thank you and see you all on Friday for a fun day out.

## School Accounts

Our office staff are working towards school accounts being paid in full by the end of the academic year. If you have outstanding amounts an invoice will be sent to you. We would appreciate this being paid in full so we can finalise our end of year accounts with our accountant.

## Inter-school athletic results

Huge congratulations to our inter-school team who went to Bremworth Park last Friday and competed against seven other full primary schools. Our team was hugely successful and we placed in the top three in a large number of events. Congratulations to all children who represented our school and displayed great sportsmanship and Te Mata values.

**Christmas Raffle Hampers Donations**  
Our PTA would like to hold a Christmas Raffle of three hampers that will be drawn at our end of year assembly. Each week in our newsletter we will ask for a different household item or food item to be brought in by families and added to our hamper. Please make sure any items brought to school are not out of date. This week we are asking that each child brings a tinned item to put in the hamper. Please get your child / children to bring them to the office

### **Haku Camp**

Whaea Vicki has been planning and organising Haku's camp. They will be attending on Tuesday 3rd and Wednesday 4th December. I know she has some exciting activities planned.

The children will be staying the night at Te Papatapu Marae. Thank you to the parents who have volunteered their time to support Haku students with their activities.

### **End of the day buses**

**Please notify the duty teacher if you are collecting your child at the end of the day and have not notified the office staff previously. It can significantly delay the school bus departure if staff are looking for children who have already left.**
