# ***Our Strategic Objectives***

2024 - 2025

Ponatahi Christian School's *Strategic Plan* has flowed from various forms of community consultation. Throughout 2023, the school community was invited to provide feedback on areas that they felt were going well and areas they felt could be improved, along with any new ideas or initiatives they had for the school. This was done through information consultation evenings held at the school.

From these evenings, the Board of Trustees collated the information and worked it into three key themes:

**Well-being:** 

*Catering for the spiritual, cultural, emotional, physical, and social well-being of all students and staff*

**Learning:** 

*All students acquiring the necessary attitudes, knowledge, and skills necessary for their future*

**Pathway:** 

*Providing opportunities for all students to reach their potential in their God-given path.*

*Catering for the spiritual, cultural, emotional, physical, and social well-being of all students and staff*
