Welcome back to Term 3! I hope you had a restful break. We're excited to continue our learning journey and warmly welcome our new families to the Wairau whānau. This term promises exciting opportunities and enriching experiences with various engaging activities, programmes and events supporting our academic, social and emotional development.

Our dedicated team is committed to providing a nurturing environment where every learner can thrive.

Communication between home and school is vital for a positive learning experience. If you have any questions, concerns, or feedback, please reach out to us. Stay involved and connected with your child's learning by attending IEP review meetings later this term and staying informed through our class Dojo. Thank you for your continued partnership and trust in our school community. Let's make Term 3 fantastic and productive!
