Breathe in, breathe out, be settled

## Kia ora e te whānau

I'm always amazed when people suggest that things are slowing down when in fact, for us at Bayswater, we are still busy teaching and learning plus lots of extra activities for our tamariki, and for whānau to join in with!

It is always fabulous to be involved with community events. Over the last week this included the return of Kaitahi Community dinners, a cooperative planning session with students from Elam Art School as we start to plan the mural for the Kaitahi Hub (formerly the dental clinic), the Kapa Hapa group performing at the Onepoto Cultural festival and a visit from our Kōkako choir to the Ryman Retirement Village.

The Kaitahi dinner was a huge success with about 200 people attending. It was an opportunity to thank everyone who supported the development of the Kaitahi Hub including the Bayswater School community. Brianna and her team have done an amazing job at bringing the community together - we look forward to working closely together for many years.

Many events wouldn't happen without your support. Please join us on Tuesday 9 December for a thank you morning tea.

Ngā mihi nui

Tumuaki Principal
