

## Newsletter / Kawerongo 16 \* 22 October 2024

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

**Kiwaha - Whakapau kaha - Be the best you can be**

Kia ora Bayswater whānau

This week Claire and I will be away at the MAC (Māori Achievement Collaborative) Wānanga in Waitangi.

Attending the wānanga is a wonderful opportunity to engage with educators from all across Aotearoa New Zealand in the interests of ensuring Māori achieve success as Māori and to enhance our understanding of te ao Māori.

Our experiences will include:

The pōwhiri experience is an opportunity to learn the tikanga and kawa of Te Tai Tokerau. Just like our "Te Whare Tapu o Te Ngākau Māori" we will begin our pōwhiri at "Te Tomokanga" and guide you through the process of the welcome.

### Waitangi Treaty Grounds

We will explore the two contemporary museums, Te Rau Aroha Museum of the Price of Citizenship and Te Kōngahu Museum of Waitangi, Treaty House, Te Whare Rūnanga and traditional Māori waka taua. This is an opportunity to learn of our founding documents, to tour the grounds and experience cultural performances.

### Manea - Footprints of Kupe

Footprints of Kupe is a unique cultural encounter, journeying into Te Ao Māori, the Māori world.

Manea – Footprints of Kupe is a 75-minute multisensory journey of guided storytelling – through art, taonga (cultural treasures), film, performance, digital interaction, and the splendour of Hokianga's natural surroundings.

"The descendants of Kupe welcome you, as do the spirits of our ancestors. Enter Te Hokianga-nui-a-Kupe, our sacred cradle of tribal histories. Walk with us in the footprints of our ancestor – Kupe the intrepid, Kupe the voyager, Kupe the discoverer."

### Whanaungatanga

A key whāinga matua (focus goal) for us is whanaungatanga (relationships) and the meaningful connections that we develop with one another.

### A day spent on Marae

On our second day of wānanga we will visit another marae. This is another opportunity to experience the pōwhiri tikanga and kawa of Te Tai Tokerau. This allows us to engage fully with the pōwhiri with the experience of the previous day. Our Te Tai Tokerau whānau will share more kōrero o te whenua (stories of the land) and the manaakitanga (hospitality) of the hau kāinga, local people.

Tumuaki Principal
