Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Kiwaha - Whakapau kaha - Be the best you can be

Kia ora Bayswater whānau

Friday 15 November is a Teacher Only Day. This day will be used to familiarise ourselves with the Refreshed English and Mathematics Curriculums ready for implementation in 2025, including assessment.

Many of you have questions about the Refreshed Curriculum and we plan to share with you early in 2025 what it includes, changes that have been made and how it looks in the classroom for your child/ren.

It was great to see past-pupil Greer Lunjevich this week. She popped in to donate a portion of the proceeds from her Young Enterprise Scheme in which she created and sold Overnight Oats. Thank you Greer, you have done yourself and our school proud.

Our TGS tuakana came by to spend an afternoon with our year 5 & 6 tamariki who have benefitted from their support this year. The tuakana teina programme is always a rewarding experience and the children enjoy taking some time to finish off the year with some fun games and relaxing time together.
