Rostered Team: This year we are trialing a new way of setting up and taking down the pads. Each team will be responsible for their court ie if MS Pulse v's JCS Eagles are on Court 2 - they will be responsible for setting up court 2. This needs to be done before play takes place so this will put the emphasis on those teams to make sure this has been done.

When it comes to lowering the hoops - there should be enough parents around to go and grab the ladder and lower them when needed.

At the end of the day, those last teams who are on the court, it is your responsibility to remove the pads from the goal posts before leaving the court. We will take note if this is not done and will deduct points where necessary.
