Manu Taataki Moments

By Seniors

A new part of our Matariki Day was inviting Te Kura Toitu o Te Whaiti Nui a Toi to join us to celebrate Matariki. Our seniors hosted our assembly and Terangiahua waited to welcome them when they arrived. Our aakonga/students did so well, hosting and connecting with our manuhiri! We even prepared the hangi with Whaea Maria! It was terrific day - Mauri Ora!

Daytona: I liked it the best when Te Kura Toitu o Te Whaiti Nui a Toi came to play sport for Matariki with us!

Terangiahua: I enjoyed playing with another kura and having hangi with them.

Edward: I liked it when their whole school came so I could make new friends.

Myarrh-Jean: I enjoyed preparing our hangi for our whanau from Minginui and Te Whaiti.

Remy: I liked playing the games with Te Whaiti.

Blessing: I enjoyed seeing Nanny Nonie again, seeing new people and being a host during our Matariki Day.

Vienna: I enjoyed playing with Te Whaiti Nui a Toi students and I liked preparing the hangi.

Wairata: I enjoyed playing with Te Whaiti Kura too.

Designing Our Own

If you have not seen our cool Pokemon Character Cards on Facebook - go and check them out on our School Page! We worked with our Korowai class students to create characters and write about them! They are super cool!
