Curriculum

We teach courses rich in content, in a context dependent on God's Word, to be used with the wisdom that God's Word gives. Not only do students need to learn what is true, but they need to learn to look at it in a true context - as God sees it. Our commitment at Pukekohe Christian School is to teach truth in content and context.

Pukekohe Christian School follows the University of Cambridge International Curriculum presenting opportunities for students in a range of qualifications recognised and respected world-wide.

Why Cambridge International Examinations?

- CIE qualifications are recognised internationally.
- Ensure we can maintain our Christian perspective within the CIE framework.
- Are structured around a challenging, quality curriculum that fits our aims.

- Offers a range of options for students of all activities, including Core and Extended.

Education Outside of The Classroom

PCS offers a full EOTC programme that enriches the educational opportunities our students can enjoy. This begins in Year 3 and 4 with an overnight "camp" held at school and progresses through the year levels with Year 5-10 all having the opportunity to experience school camp. This provides students with a range of new

and exciting experiences, encouraging team building, leadership and the chance to push themselves outside of their comfort zone.

Students aged 14 and over can participate in the Duke of Edinburgh Award Scheme. This encourages students to learn new skills, give service back to the community and participate in a wide range of outdoor activities including tramping and kayaking.

Leadership

There are many leadership opportunities within the school and students are encouraged to look for ways to lead within the clubs and activities they participate in. Students can apply to be librarians from Year 5. At High School, students keen to help others can train to be First Aiders, fully subsidised by the school. We also have a team of Friend Supporters who work with the Year 1 to 10 classes providing a friendly face or a listening ear to those who need it.

House Captains organise regular house activities and help to develop pride and a sense of house spirit amongst the students. House activities include students of all ages and are a unique part of the PCS community, where students from Years 1-13 work together to achieve a common goal.

Student Councils

We have Student Councils for Senior, Middle and Primary aged students. A large number of school activities including Cultural day, Chalk day and Book Character day are organised by our Student Councils. Overseen by Head Students, the Student Councils also organise fundraising events, lead prayer at Line Up, support staff on duty and work with younger students in a wide range of ways.

House Captains and Student Council members participate in leadership courses and events and all get the opportunity to run a Primary, Intermediate and Secondary assembly as well as leading line-up regularly.

School Hours

The school day commences at 8:25am with Line-Up. This is a special opportunity for the whole school to come together as a community. At Line-Up we pray, and share notices. School ends at 2:50pm for Year 1-6 primary students and 3.00pm for Year 7-13 students. Students should be dropped off at school no earlier than 8:00am and should be collected no later than 3:15pm. The school must be notified if alternative pick up arrangements have been made.

The after school care programme, PCS Hotshots runs every day from 3:00pm to 6:00pm providing a range of craft activities, games and support with homework. For more information please contact the office directly.

Primary-aged students should be collected from the front courtyard. Any primary aged student who has a secondary-age sibling and whose parents opt to collect them from the lower carpark, must wait in the upper carpark until their older sibling collects them at 3pm. **No primary-aged student should be walking to the lower carpark unsupervised. We ask parents to reinforce these expectations as you discuss end of day routines with your children.**

Statement of Belief

The following is the statement of belief, which is signed by all staff and the Board of Governors indicating their commitment to Christian education.

I believe in:

- The unity of the Father, the Son and the Holy Spirit in the Godhead.
- The sovereignty of God in creation, revelation, redemption and final judgement.
- The divine inspiration and trustworthiness of Holy Scripture, as originally given and its supreme authority in all matters of faith practice and conduct.
- The universal sinfulness and guilt of human nature since the fall, rendering man subject to God's judgement and condemnation.
- Redemption from the guilt, penalty, pollution and the power of sin only through the sacrificial death of the Lord Jesus Christ, the incarnate Son of God.
- The working of the Holy Spirit in the individual's life to bring about justification and reconciliation to God by repentance and faith in Christ alone.
- The Deity and Humanity of Jesus Christ and in His bodily resurrection from the dead, His ascension, His mediatory work and His personal return in power and glory.
- The indwelling and sanctifying work of the Holy Spirit in the believer, developing each individual in his/her personal ministry to the Lord.
- The One, Holy Universal Church, which is the Body of Christ, to which all true believers belong and in which they are united through the Holy Spirit; and recognise the importance of each local church in the life of the individual.
- The individual's responsibility in fulfilling Christ's Commission to the church.
- The resurrection of the body and life everlasting.

Use of Personal Devices

Students in Years 9-13 may be permitted to use a laptop for educational purposes in a particular lesson. The use of the laptop is not compulsory and serves only to enhance learning. At all other times personal devices must be switched off and placed in the school bag. Students in Years 1-8 must hand personal devices, in particular mobile phones into the school office for safe keeping.

Student Progress Reports

Reports are sent home with students' twice yearly mid-way through Term 2 (Year 1 to 13) and Term 4 (Year 1 to 10). A progress report at the end of Term 3 (Years 11-13) monitors achievement and can be used as an indicator for the CIE exams for senior students following their mock exams.

Homework

Students are expected to do a certain amount of homework each day. The amount of homework will increase as the student progresses through the school. Homework plays a vital part in the pursuit of academic excellence.

Stationery

There is an annual stationery cost for students in Years 1 to 6 which will be invoiced from the office at the beginning of the new school year. Parents of Year 7 to 13 students will receive a stationery list of items to purchase. Stationery lists are provided in advance and students are required to have the necessary stationery at school at the start of the school year. Stationery can be sourced from any number of stationery stores. If you visit Office Max at www.myschool.co.nz and select Pukekohe Christian School, you will find all the stationery lists for each Year level and you can purchase directly what you need.

Textbooks

Textbooks will be issued as required and students are expected to look after them. In the event that a student loses a textbook, or it is damaged beyond the usual wear and tear, parents will be charged the replacement cost of the textbook. Students in Years 11-13 and Year 10's taking IGCSE courses will need to purchase the necessary textbooks. Students in Years 1-6 will require workbooks which match the in-class textbook. The workbooks are a take-home item, and will be invoiced accordingly.

Dress Code

Students are required to wear school uniform at all times, unless otherwise advised by the Principal, e.g. Mufti Day. A copy of our uniform policy is enclosed with your enrolment application form or can be found [here](#) on our website. The school uniform can be purchased from The Uniform Shop, Glasgow Rd, Pukekohe.

School Rules

Pukekohe Christian School aims to provide a school environment that is supportive, happy and disciplined. Students are expected to conduct themselves in such a way as to bring credit on themselves, their families and the School. The principle by which acceptable conduct is determined is found in the Bible. Each student is valued as part of God's creation, having talents and abilities that will grow in an atmosphere of love, encouragement and orderliness.
