The mobile dental unit will be onsite at your school from Monday 6th to Friday 31st October

Our dental team will be seeing the most overdue tamariki/children during this visit. As the clinic will be prioritising all their appointments, it may not be possible for the dental staff to see all students during this visit.

Our dental team will notify the whanau and families prior to their tamariki/child's dental appointment. When you receive this notification, please contact the team to update any contact details, confirm medical details or renew permissions for examination and dental x-rays.
